Dear Praying Friends,

A few weeks ago Obed and Tania got married in our church. They asked me to do the ceremony and all turned out very well. There were around 190 present in our church building. We arranged it for the ceremony and the meal afterwards. Many of the people had never been to a Baptist church before and many commented that they really liked the way things were done. There was NO drinking or smoking or devil's music! I preached a short message and gave an invitation to those that wanted to be saved. We don't know if there were any saved or not but the Gospel was clearly given and those that wanted to be saved got saved.

Br. Raul was my right hand man for many years in our church in Zacatecas. He was trained at our church to serve God. A few years ago he and his wife moved to Chiapas due to her poor health. This past month he started a church from zero in Ciudad Hidalgo, Chiapas. They have won many souls to the Lord and they already have families coming faithfully! You have a part in what he is doing there! We have sent him tracts and Romans and he is working for the Lord starting this new church!

Lupe, a lady that came to the last ladies' meeting in Pozo, came to church with her granddaughter Dulce. It was a blessing to see her take the next step coming to the church services. On April 30<sup>th</sup> we had children's day in Pozo. We had a good group with many first time visitors! Towards the end of the service two children came in. We gave them a small bag of toys and items and then we saw their mom outside. Many times the adults are afraid to enter into a non catholic church. I went outside and talked with the mom and her younger brother. I realized she was blind. I gave them both the Gospel and they got saved! Pray for them to come back to church.

This past month Lidia and I saw 16 trust the Saviour for eternal salvation! Our church people saw another 14 trust Christ! We had 13 first time visitors come to church with us! May God bless you all!

Yours for souls,  
Mike and Lidia Lemma
