

MARCH/APRIL 2025

NAIROBI, KENYA! We saw the majesty of God's creation at Mt. Killimanjaro, His creativity in the abundance of wildlife, and His beauty in the people of this African nation.

The TAN Team partnered with missionary Cory McDonald and his family to started a Bible institute, hold a TAN Conference, and host a ladies meeting! The McDonald's are impacting Kenya in a great way.

In Eldoret, Kenya we met with national pastor Alfred Lukwa. Bro. Lukwa has started 27 churches over the past 40 years. He desires to partner with TAN to train and disciple the next generation. We saw multiple people saved in the villages where the "Jesus" film was shown. Converts even attend the TAN Conference. On Sunday the team collectively preached at 17 different locations.

During the two day TAN Conference in Eldoret, there were many rainstorms. Everyone was huddled under tents. Though water was flooding over our feet, the tents sagged with water, and the storm was so loud you could barely hear the preaching- the people STAYED, the meeting CONTINUED, and the SPIRIT of GOD moved greatly.

Our TAN Team in Kenya included Adam & Cecia Ogle, Greg & Robin Ogle, John Woosley, James Sawyers, and Jeff Lines. God greatly used each of these hard working, humble servants. God's Word was taught in over 50 sessions!

One of the greatest needs in Kenya are Bibles. \$7,000 is needed to have a container of Bibles sent to Kenya.

On Sunday two of our ladies offered a ride to a couple who were walking to the bus station. They were given tracts and when it was time for them to exit, the woman asked if she could attend church. After the service Emmah trusted Christ as her Saviour. She was only in town for that week and was on her way home to her village that day. Emmah had been wanting a Bible so she could learn about God. Over and over we saw people 'ripe unto harvest'.

God has again opened a MIRACLE door in India with a national pastor in Delhi. We are working on the best way to help him train and disciple those who have been saved the past 40 years.
