Praying Friends,

May 10, 2025

Greetings from “across the pond”! **By God’s grace, we arrived safely in Preston, England, on April 26.** Thank you to those who prayed for this day to come. Praise the Lord!

Before our departure, we took a brief eleven-day journey across the U.S. for two Missions Conferences. Our first stop was at Lighthouse Baptist Church in Horseheads, New York, where we enjoyed a wonderful mission revival alongside a few dozen regional pastors—what a blessed week! We then headed west to Pasco, Washington, spending a few special days with Riverview Baptist Church. Their pastor, John Paisley, is always a joy to be around. Please pray for him as he recovers from a heart attack that occurred on April 23.

After our travels, we returned to Florence, Montana, to wrap up final preparations for our move to England. After heartfelt goodbyes to our Montana friends and family, we flew to Indiana to visit our sending church, First Baptist Church of Hammond, and our missions agency. Then on April 25, we departed from Chicago and safely arrived nine hours later in Manchester, with both children and all our luggage—praise the Lord! We are especially grateful for my brother, “Uncle Josh,” flying with us; an extra set of hands made all the difference in moving across the world. We were warmly welcomed at the airport by my dad and a kind couple from our church, who helped us back from the airport. We are currently living with my wonderful parents, who are more than willing to help with the grandchildren!

Soul Report

While out on bus visitation in Pasco, Washington, I met Hilda, who had heard the Gospel before but had never called upon Christ. After sharing the example of the thief on the cross, she bowed her head and received Jesus—hallelujah! In England, Emmanuel sat down with me after a Sunday night service and accepted Christ. Praise the Lord for fruit added to your account from two continents this month! **Over March and April, we witnessed to six people, with two choosing to trust Christ.**

Family & Ministry Update – “Settling In”

We’ve been considering a Honda eight-seater minivan for both our family and ministry and are praying for clarity in the days ahead. Also, please pray for God’s will on our housing situation, as we await approval on a rental home. The church warmly welcomed us, with many sharing their excitement for what the Lord has in store. On May 24, we will host a joint teen activity with Landmark Baptist Church from Parkersburg, West Virginia, leading into the launch of our teen church time the next day. In the past few months leading to our arrival, our church has remodeled a storage room to be used as a studio. It is our desire to use this studio to spread the Gospel and train laborers. More will be shared on this soon! Thank you for sending us to reach these people. There is an obvious hunger for more of the Word! You can still reach us through our U.S. phones, our WhatsApp (+12193169058), Facebook, and our emails.

For His glory,

Daniel, Rachel, Ruby, and Andrew Solt

SOLT SIBLING ADVENTURES

Andrew is three months old now and growing very well. His first international flight was definitely an adventure! Ruby is enjoying attending Nana’s Sunday school class in church, along with King’s Kids Club during the evening service! She is quickly making friends!
