

The Layne Jones Family

June 2025

Dear Friends in Christ,

We are so very thankful for your prayers and financial support.

The pictures are the Firemen ministry. We have permission to hold Bible studies in every fire station in the 24 towns in N. Samar. The other picture is a couple who came strolling into our church building in Catarman. They are from Biri Island off the coast of Samar. They were saved listening to our radio station. They want a church on their island.

We need prayer for our radio station. There is a problem with the electric. The radio has been down for almost two weeks. We also need prayer that the new 3000 watt transmitter to be hooked up soon.

We are seeing many saved through our different ministries. There were over 50 that surrendered during our Youth Conference and Youth Camp. Please pray more will attend the Bible College.

Please pray for the new works in Allen and Las Navas. Pray for the new church building in Dulag, Leyte. Last Sunday there were five saved and two baptized. Please pray for our June Pentecost Sunday and July Bible conference.

My wife and I are planning on being in the States October 10 to November 10. Please pray for my wife. She has a problem with an allergy that is causing a rash. She has been to four doctors and thus far it is still lingering with her. Pray for her healing.
