Dear Praying Friends,

Bertha's cousin, Hilario, was sick and in the hospital. Lidia and Bertha went to see him. The nurse was going to give him a bath but she patiently waited. They witnessed to him and he got saved! What a blessing to be able to see family members saved! Our mechanic Sabino came to church with his son and family. His son Adrian and his wife and teenage son have been coming three weeks in a row! This is a blessing for us! We have had seven first time visitors this past month.

Leonor, one of our faithful ladies, told us that she has cancer. Please pray for her. As of late, there seems to be more people getting sick than I have ever seen before. Last month we took a trip to see Lidia's mom because she is not doing well. Abigail and our granddaughters flew out at the same time to see her. Lidia's mom really enjoyed that! We enjoyed seeing our granddaughters too! Everything ended too fast.

It seems that we are always having wolves in sheep clothing come to our church. Behind our backs they sow false doctrine trying to get people to believe the devil's lies. They seldom arrive at believing the truth and they always try to take away people from the truth. This happened recently and we had to tell that person not to return.

Things are going well in our church in Pozo. We have people faithfully come and they are growing in the faith. There is one little boy whose father left to go to Canada to work. He is very sad and he wants to go to Canada to be with his dad. Seldom do people ask for Biblical counsel before they make life changing moves that affect their family. It is sad to see the results that come because of the lack of counsel.

Since our last letter Lidia and I were able to lead 26 souls to the Saviour! Our church people saw another 23 trust Christ for salvation! Thank you for your prayers and continued support!

Yours for souls,  
Mike and Lidia Lemma
