Blessings and Plans for 2025

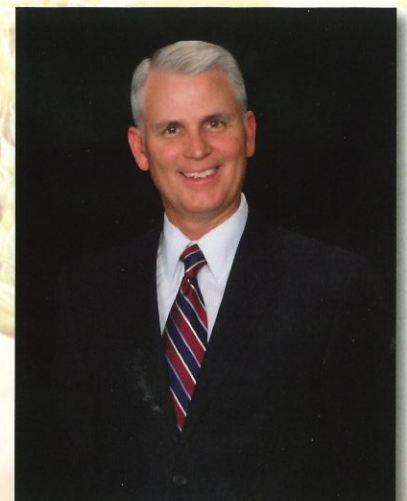

There is a need to refocus on World Missions with the emphasis on distributing the Word of God. Never has there been a higher level of urgency for people around this planet to get a glimpse of HOPE and HELP from learning the message that God has for all of humanity—a message of redemption through the salvation that only comes from the finished work of Christ on Calvary. It is a message of PURPOSE for every person on this planet that God has a divine plan for each of us. When YOU receive the LIGHT that God gives through His Son, Jesus Christ, you become a light to this world. Jesus said, **“Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.”** (Matt. 5:16)

In light of this urgency, please allow us to announce our plans to help spread the Gospel of Jesus Christ through the publishing of God’s Almighty Word. There is no message greater; no news of higher importance; nor is there any more prevalent information necessary to mankind than to know the way of Salvation. **“The Lord... is not willing that any should perish, but that all should come to repentance.”** (2 Peter 3:9)

Local Church Bible Publishers is soon approaching the 30th Anniversary of providing quality Bibles at cost in full leather covers. This has amounted to multiple blessings to literally tens of thousands of Bible-believing Christians across America. Many have found our Bibles through searches online, and some at display tables our missionaries have carried to hundreds of churches and conferences over the years. We count it a blessing and an honor to provide these beautiful Bibles to those who seek the high quality of the Bibles that God has enabled us to provide AT COST. There is no other ministry anywhere that has carried the burden as God has allowed us to do.

Perhaps you would like to personally be involved in helping us keep these costs down, so that all who desire to have a quality leather-bound Bible can still reasonably afford one through our ministry. Please find the tab that will enable you to donate or even support regularly with a gift to keep these treasured Bibles available at cost. Thanks for your interest and prayer.

BPS Update

"Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest."

As it's recorded in Matthew 9, we have been doing the work of the Lord for many months now, and we have also been praying for more laborers.

It is exciting when we have new people surrender to the scripture ministry. It is even more exciting when the person surrendering is a second generation missionary. It is exceedingly exciting when that second generation missionary grew up in the scripture ministry. Because of all of that, we are excited to introduce our newest BPS missionary, Timothy Pahlman

Timothy spent most of his teenage years traveling around the country with his parents and family in the work of this ministry. It was through these times that God placed a burden on his heart to see the Word of God go around the world.

After spending four years serving in a church in Arizona and going to the Bible Institute at the church, the Lord has now moved Timothy back to Michigan to be a part of the printing ministry here.

The last several months involved waiting on God to show him what He would have Timothy to do next. We are greatly excited to have him join us in this work, not only because he is our son, but because we need more workers in this work.

If you would like to schedule him to come to your church or to any special meetings that you have, feel free to contact him directly at 928-978-5973.

NEWS FLASH!

A trucking company that helps us with transportation is picking up 24 pallets (about 300,000) of Spanish John/Romans to deliver to Arizona. These will be distributed in western Mexico. We thank the Lord for your prayers and for your support.

The Lord has already enabled us to print 100,000 Tagalog Scriptures and another 200,000 Spanish Bilingual Scriptures. We are preparing to print another 100,000 English this summer. Thank the Lord for touching your hearts to help us get the message out to the lost.

GIVE AN ETERNAL GIFT THIS YEAR

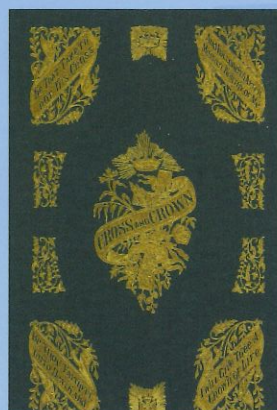

"The words of the LORD are pure words: as silver tried in a furnace of earth, purified seven times. Yhou shalt keep them, O LORD, thou shalt preserve them from this generation for ever." (Psalm 12:6-7)

It is dreadful to see how a number of great churches that bore the Baptist Banner for many years have seemingly found an option to phase out the name "Baptist" from their ministry. God help us to study and teach our people the doctrines that are historically held by Old-Fashioned, Bible-Believing, Independent Baptist Churches. Dear friends, this is not the time to back away from old-time religion. Dig into these treasured works—many of which are old reprints of great men of God from the past. Do not fall into the ideology of this new wing of so-called "preachers and teachers" that are turning their backs on the old landmarks that Baptists have stood for throughout the centuries.

Dear Praying Friends,

For many years, our ministry has provided lower-cost copies of God's Word to such labors as Jail Ministries, Nursing Homes, and Children's Ministries such as Bus Kids, Sunday Schools, VBS, Junior Church, etc. The cost of our vinyl Bibles has increased to a point that it is becoming difficult for some ministries to afford. We are now planning to provide a much-reduced cost for these Bibles that will be made available to these various ministries. Our aim is to publish a legible text with a strong cover (paper and hardback) so that these can be widely distributed.

The Gospel of John and Epistle to Romans will continue to be provided in many languages and some in a bilingual format, as God provides, but we are sensing the need for whole Bibles for these ministries that are reaching hundreds and thousands of souls every year.

Please pray with us and for us as God opens doors to meet these needs. Also, please locate the tab for donations to BPS. These gifts will go straight to the purchase of paper for these projects.
