Dear Friends,

We just wanted to take a moment as July begins to thank you—and to update you on some of the incredible things happening through Galatians 6:1 Ministries.

God is working. Truly working.

In spite of ongoing opposition from those who claim to care about restoration—but quietly fight against it—God continues to bless this ministry in ways we can't even fully explain. He has been so faithful.

We only wish we could tell you the stories in full. The testimonies of lives being changed... hearts coming back to God... people walking closer to the Lord than they ever have before. These are not just emotional moments—they are lasting transformations. We've seen former pastors admit, often with tears, just how far they had drifted. Not all at once—but over time. A slow decline. But praise God, they've come to true repentance and are now walking in renewed strength and joy.

These are sacred stories. Stories we can't always share publicly—because there are still too many who would twist them into gossip or scandal. But heaven knows, and you, our faithful friends, make these miracles possible.

We mean it when we say: we couldn't do this without you.

Your prayers, your encouragement, and yes, your support—especially financially—are what keep us going. It's not easy, and it's not cheap, but it's worth every bit of effort. Thank you to those who stand with us, month after month. And if you've never given but feel led to do so, we'd be honored to have you join in.

A small but important need—would you pray with us?

Our laser printer—the one we use for almost everything in the ministry—is on its last leg. It's been faithful for years, but it's about to give out. Please help us pray that God will provide a replacement soon. It's a practical need, but one that makes a big difference in what we do every day.

Can we pray for you?

We're putting together a fresh prayer list for our team, and we'd love to include your requests—especially if there's anything regarding your walk with God, or if you or someone you love is in need of spiritual restoration. Just reply to this email and let us know how we can lift you up.

Now for something special—our gift to you.

David has written a new short book titled *The Gospel in the Dust*. It's a powerful, first-person narrative retelling of the woman caught in adultery. You'll hear the story through the voices of the woman, the crowd, the religious leaders, the disciples, Jesus Himself—and a final, personal reflection. It's raw, moving, and filled with the grace of our Savior. If you'd like a free e-copy, just reply to this email. We'd love to send it your way.

As we celebrate Independence Day here in the U.S., we are also celebrating the spiritual freedom that comes through restoration. Thank you again for being part of this work. We pray that your July is safe, blessed, and filled with God's goodness—even if the heat and storms come rolling in.

With grateful hearts,

David and Brenda

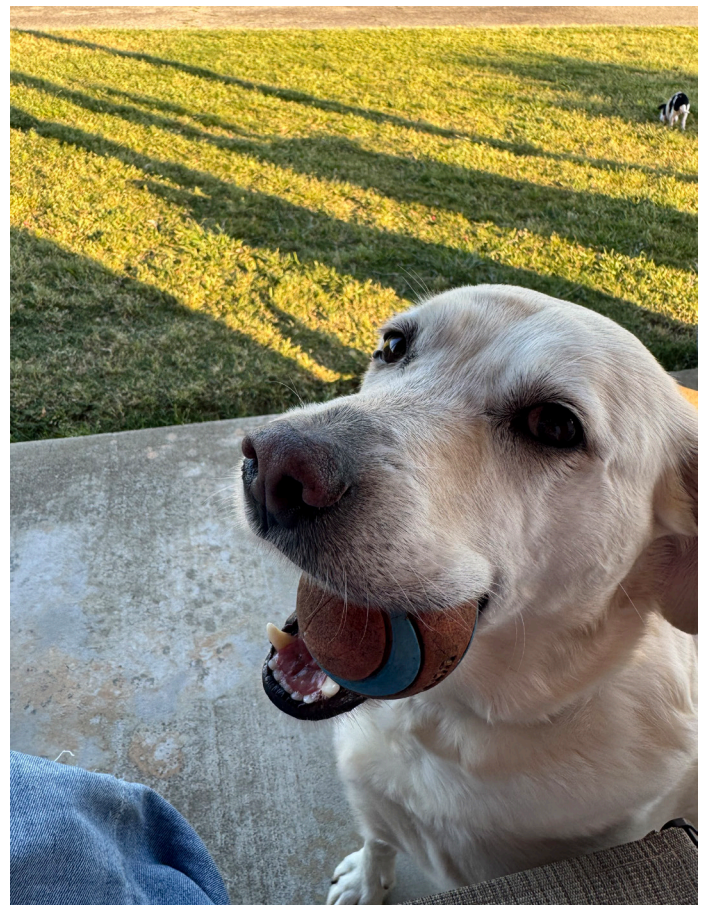

"Brethren, if a man be overtaken in a fault..."

P.S. Keep praying for protection, provision, and the power of God to continue changing lives. Restoration is not just our mission—it's our calling.

And finally...

We thought we would share a few pictures of the summer sights here at the Red Barn. We hope you enjoy them!
