

The Lerisse Family Haitians For His Kingdom On the Island of Hispaniola

May-June 2025

The Holy Spirit of God knows the spiritual needs of His people, and He loves us so much that He is always working to meet those needs. After spending the month of April in the States on a short furlough and returning May 8, the Lord began refreshing His church and sending us His choice servants to meet our spiritual needs.

In May Brother and Mrs. Pat Jones from Tabernacle Baptist Church came to speak for Mother's Day weekend. This was the beginning of a great refreshing from the Lord for His people. Not bringing anything new, but stirring up our pure minds to remembering the basics and the foundation that are so necessary and indispensable to spiritual growth. Having a powerful in living color testimony of a wife obeying the Word to win a hard hearted husband, they recently celebrated 53 years of marriage. Theirs was a testimony of the faithfulness of God to honor those who obey His Word no matter what. So many ladies testified, "she has lived where I am and God's Word worked for her- it can work for me too".

Brother Caleb Amoros and Brother Scott Pauley was like cold water from a far country. Bringing morning sessions so timely for our church work force and other churches who were in attendance, just what we needed evening services, soul winning with our people that resulted in many calling on Jesus Christ for salvation and finally a beautiful lunch on the Bay of Salinas for all the teachers, Pastors, and evangelists in our church. We were edified and refreshed in the work.

At the same time as these conferences we were in the middle of mentorship time where we not only provide work for all those wanting to participate in camp, but we yoke together working with the young people so that they can earn their way to camp. Depending on their age, the campers are required to work 20-25 hours in order to participate in camp. Finally after a lot of hard work and with the Lord having prepared the ground with the previous two conferences, we enjoyed a four day camp. With Evangelist Pablo David from Mexico City, pastor CW Kennedy from Alabama and Yimi Made from Dom. Rep. and young godly men and ladies who came down with our son Bj, the Lord moved mightily in His church. Souls saved, decisions made, communion, and spiritual refreshment was our Father's care for us.

We left our daughter Sissy in the States with her grandmother so that she can prepare for college in the fall. Having her and Bj home for camp was a blessing. Our family being complete and serving the Lord together during camp is a balm for me and I thank the Lord for it.

Now we are preparing for VBS, in the middle of a huge agricultural project providing work for God's people, preparing for Father's Day and then for our marriage conference; all the while holding on tightly to our walk with the Lord, our pursuit of souls, and feeding the Lord's sheep. Please pray for us. The needs-spiritual, financial, and relational are great; it is a comfort that our Lord knows what we need and He is at work to meet those needs for His glory!

Beholding the wonders of God on the Island of Hispaniola,

Biz and Beloved Lerisse
