Dear Praying Friends,

Obed and Jorge were out soul winning together after work. The police stopped them and they started to frisk them thinking that they were criminals. They looked in their backpacks and saw books of Romans and Gospel tracts and they asked them what their work was. Obed and Jorge told them that they make bread and that they were out soul winning. The owner of the store where they were stopped came out and began to rebuke the police telling them to leave them alone because they were her clients. The police left Obed and Jorge continued soul winning in that area! On a funny note Jorge was handing a Gospel tract to a lady and she was afraid because he has tattoos on his arms. She told him that she doesn't do drugs and was not interested and she ran away! Jorge is doing good trying to see people saved! The tattoos give a bad testimony even to someone giving the Gospel out.

A young man named Luis came a few times to our church. His mom was a faithful member until she passed away a few years back. Luis died a drunkard's death in the street and he was found a few weeks after his death. This is a sad waste of a life to end up dead in the street with no one knowing where you are at. These people need to be reached with the Gospel before it is too late!

Adair is one of our faithful young men in the church. He has been arranging the special music in the church for about a year now. He also goes out soul winning every week and he invites people to church. He had two friends come to church this past month and one of them got saved! Another one of our men Raul is in the southern state of Chiapas and he has started a church from zero. He is faithful to the work and he is bringing new people to church almost every week!

Since our last letter Lidia and I were able to lead 30 souls to trust Christ as their Saviour! Our church people led another 14 to Jesus! On another note; please pray for Br. Darrell Moore's family as he passed away less than two weeks ago. Lidia and I worked under his ministry while at Bible College and it was there that we learned about winning souls to the Lord!

Yours for souls,
Mike and Lidia Lemma
