MISSIONARY LETTER

MONTH OF JULY

2025

Pastor Corey and Church Family,

Greetings in Christ precious name!

We always give all the glory and praise to our Lord and Savior Jesus Christ for every souls that got saved here in the Philippines. Truly, how wonderful it is to saw and experienced the working of Lord into the hearts of every people who to come to know in the knowledge truth. Indeed, we never thanked Him enough for these souls that got saved, putting and adding them into His Church.

Nothing compares the joy of seeing one souls receiving and believing Jesus Christ as their own personal Savior into their hearts. It was indeed worth of all the labor and sacrifices seeing one soul that got saved. To God be the glory!

We would also like to thanked each and everyone of you who always pray for us and who always support the work of the Lord here in the Philippines in financial aspect. You are all our faithful partners in the work of the Lord! From the bottom of our hearts, again we say thanked you and we really really appreciate!

We are very thankful and grateful for the Lord for answering our prayer to be able to get back to United States of America. It was May 17, 2025 when we touch down in JFK New York international airport. To be honest, we really wanted to stay long, long enough to be able to visit all of our supporters in United States but the U.S immigration only gave us one month to stay. And because of that, it really limits our staying and travel to U.S. We don't want to extend and stay in U.S illegally. Our hearts were very sad that we couldn't able to visit each and everyone of you. And we are very sorry as well that I didn't attempt to call some of you because we know that we could not also come and visit you all due to limited time. We went back home, June 24, 2025. But we are all praying for the Lord that the next time the Lord granted us U.S visa and able to comeback again in U.S, we will see to it that we will going to visit you all.

We would also ask for your prayers and please include us all in your prayers, as we are experiencing very strong winds and high volume of waters due to strong typhoons. As you all see in the photos, some area and places are filled with so much water. Our city mayor just declared state of calamity because of too much damage brought by the typhoons. Some places are flooded too. There are roads that are no longer passable. People has to evacuate their homes and go to evacuation center and stay there for some period of time until the water will be subside and be able to go back again into their own houses. Rice plants were all destroyed and can no longer harvest. And we cancel our mid week Wednesday prayer meeting thrice this month because of the typhoons. To be honest, several of our church people are in need of helps by this time of difficulties. They are knocking in your generous hearts if you could able to help them especially the needs of food. Right now, what they need is rice! One cavan of rice is \$75.00 dollars. I am pretty sure that they would really really appreciate your helps! Any helps or donation you all could give to our church people, I will assure you all that I will give it all to them. I will take pictures of it and send it to all of you as an evidence that your help was receive by them. Again, thank you so much to all of you and may God continue to bless you. To God be the glory!

In Christ,
Mark Ellor A. Caluag
