Dear Praying Friends,

First of all we want to thank you for faithfully standing behind us helping and praying for our ministry here in Zacatecas. We understand that it would be impossible without your help. As always we keep ourselves very busy serving God in our churches. We have a great spirit in our church in Zacatecas as well as in Pozo de Gamboa. Our people are involved with helping us reach the people in the surrounding areas.

A few days ago I was at the hospital winning souls. I came upon a husband and wife whose daughter was run over by a car. We talked a little bit before I started the Gospel presentation. I asked them if they knew they were going to Heaven. The man thought about the question and then said: Yes. I looked at his wife and asked her while she was snickering at his answer. I showed them many Bible verses and both of them understood the difference and asked Christ to save them! Before I was able to finish witnessing to them the lady was already crying. It is always a blessing to see that there are still people that want to know the truth. We just have to find them!

I ran into a family at the hospital waiting inside their truck. They were there because the mom was very sick. The dad told me that he was 74 years old. He was blind from diabetes and I could see that his feet were swollen. His adult son had a birth defect but was very smart and had his mind 100%. I thought about how he probably has suffered rejection because of how he was born. The dad, his son and daughter all gladly heard the Gospel and trusted Christ to save them! This dad will regain his sight in Heaven and his son will be 100% complete without any deformations. God has promised us so much! We must tell them!

We ask you to pray for one of our ladies named Leonor. She was diagnosed with cancer and she does not seem to be doing well. Not to long ago her sister passed away from cancer. Praise God that she is in Heaven but oh, how we hate death and the losing of family members. Daniel is 45 years old and he has diabetes and he needs to start taking insulin. He is not interested in taking the other medicines and he is not doing well in this area. There is just so much sickness.

Tomorrow we will be having a special day in Pozo giving away school supplies to the children. We will also be doing this in Zacatecas. We want to be able to help the people but also use these situations to reach others with the Gospel. We also ask you, if you can, to please send us dresses and denim skirts (all sizes) for us to be able to give them away to our church ladies. The address to send them would be: Mike and Lidia Lemma 550 S Val Verde Rd Donna, TX 78537.

Since our last letter Lidia and I led 39 people to the Lord! Our church people led another 14 to Christ! We had 10 first time visitors come to the services! Lidia also had another ladies' meeting with 27 that came and one person being saved!

Yours for souls,
Mike and Lidia Lemma
