MISSIONARIES TO MEXICO

August 6, 2025

Dear Pastors, Supporting Churches, and Praying Friends,

It is amazing what God can do when we all work together! He deserves all of the glory for the campaign in Zacatecas. Tlaltenango had a population of 14,500 people and extraordinarily little exposure to the Gospel. It was an isolated town, and the people were still deeply rooted in Catholicism and traditions. It was also the first church we started from ground zero. Our first service was on June 15. The first weeks were slow, with just a few visitors in church. At the end of the 8 weeks, by the grace of God and because of your prayers and support, the Lord had given us over 300 decisions to receive Christ as Saviour, 77 first-time visitors, and 10 family units attending somewhat faithfully. To God be all the glory!

On August 18, by the grace of God, we will start an 8-week campaign in the state of Guerrero. This new church is in an indigenous area. It is another first for us. The Lord has given us a wonderful team of 6 confirmed workers and 2 other probable workers. There are 37 small towns in which many of the people do not even speak Spanish. We also do not have permission to go soul winning in these towns. In the mornings, we will be going soul winning in Ayutla, a town of about 50,000 people who speak Spanish, with an established church. In the afternoons, we will need to establish connections with the indigenous towns. We need much wisdom. A Bible Club is a good way. Many times, a family will invite people to a Bible Club in their home. In the home, we would have total freedom to share the Gospel of Christ. The young pastor has started a church in one such home.

Prayer Requests

1. People to be saved and follow the Lord
2. Wisdom in making connections in the indigenous towns
3. The workers and finances for our ministry

Thank you for your prayers and your financial support. Some have given to the evangelistic campaigns generously. We are very grateful to be your missionaries and that we can serve the Lord together.

Yours for souls,

Chris & Viry Sage
