## Greetings Dear Pastor:

We finished four months in the USA during which time we got to see a new grandchild born, have three daughters get married, have a daughter graduate from Bible college, and visited 22 churches. We also left Debbie behind to finish her last two years of Bible college in the states. Thank you to those who helped her along the way!!!

When we weren't visiting another church we were busy in the ministries of our home church in Lincoln. Our last Sunday was spent at our home church and as my wife and I were sitting in the auditorium we noticed 7 new attendees that are coming every week to our home church that we met and invited while out soul winning. Four adults and three kids. We try to be productive for the cause of Christ everywhere that we are at!

The work in Thailand is going strong and we are ready to get to work. One need that I was made aware of is that one of our printers was blow up by an electric storm. My helpers moved it to a different room and failed to use a power strip with surge protector. To replace this printer will run about \$700 to \$800.

Missionary Todd Painter

My daughter Rebekah got married to Bryan Karratti on July 18<sup>th</sup>. Here is a picture from their reception. It was a wonderful wedding. Bryan is on the pastoral staff at Emmanuel Baptist Church in Longview, Texas. May the Lord bless their marriage! This was my last night to see many of my kids for the next year.

James wife (Tamalar Khu) led this family to Christ this month as they just moved in very close to our church. They are a Burmese family. I am so thankful that our church people are busy getting the Gospel out while I am away!

Paw Sii got saved our last week in the United States. Since our church was finishing up VBS on our final Sunday in the states, there was no Karen Language Sunday School Class. However, Paw Sii will be followed up on and hopefully will attend the class in August. (She does not speak English.)
