*Ye which are spiritual,  
restore such an one.*

**Dear Friends and Supporters,**

I wanted to take a moment to give you an important update from Galatians 6:1 Ministries.

As of this morning, we have received about **\$2,400** toward the cost of replacing one of our air conditioning units. We are so grateful to each of you who has already given—your generosity means so much.

Last week, one of our 20-year-old AC units completely failed. Unfortunately, we had no choice but to replace it right away—it cooled the rooms we needed to use daily. Our AC technician has been wonderful to work with, but the total cost came to **\$7,000**.

We simply cannot cover that amount entirely out of our own pockets. That's why we're asking for your help. If you haven't had a chance to give yet, would you prayerfully consider doing so? Even a gift of **\$25** can make a difference. If enough people pitched in at that level, we could take care of this need quickly.

Your support helps us defray this big, unexpected expense and allows us to continue providing a comfortable, welcoming environment for those we serve.

If you'd like to help, you can give today through [Galatians 6:1 Ministries](#)

Thank you for standing with us—not just in this need, but in the ongoing mission of restoration, grace, and hope.

With gratitude,  
David and Brenda
