

May 2025

Dear Friends,

May was very productive for souls! We saw 868 saved at church and 521 baptized on the church property, with an additional 208,671 saved in preaching meetings off-property and 1,945 baptized! Praise God!!

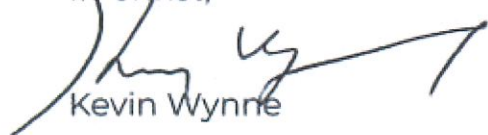

We graduated over 70 from the Bible college and ordained 16 young men for the ministry! Some are already starting their new churches.

We have many enemies because of the Gospel, especially the church neighbors who hate us because of all the traffic caused by 20,000 people coming to church each week. One family has sued us and tried many times to close the church. Another man named Edgar is often drunk and stands in front of the church cussing and accosting the people who go to church.

To our amazement, the family of Noe and Yolanda got saved, and my son-in-law Hector was standing in front of the church teaching them about soul-winning, when Edgar walked up crying because his wife was going to leave him. The family took him aside and told him, "We were just like you a few weeks ago, but now we know Jesus!" They lead him to Christ, and he and his wife started coming to church each week! God is great!

Please pray for our safety and for our kids and grandkids working with us. Each soul saved is because of your support and prayers. Truly this is fruit for your account in heaven. We love and appreciate you very much!

In Christ,

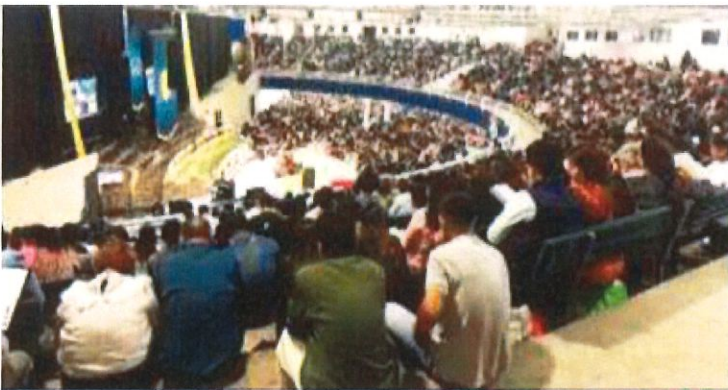

Kevin Wynne
