MISSIONARIES to MEXICO

June 2025

Dear Friends,

June was a great month for God's work here in Mexico! 1,279 were Saved in preaching services on the church property and 625 Baptized. 88,008 were saved in preaching services off property and 847 Baptized!

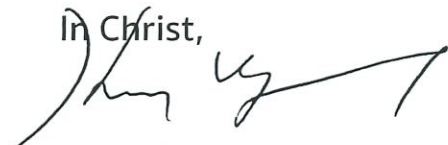

Almost every week I am preaching in parks and on the street in Mexico City and the suburbs. Over a year ago I was preaching in a park and a young teenager named Brayan got saved. Brayan was going through a very difficult time in his life and I believe would have soon become involved in the gangs. He never came to church but his life was changed. Not long after his family moved to a small village in the mountains.

We have hundreds of graduates pastoring churches now all over Mexico and Domingo Perez one of our men met Brayan out soul winning and got him into the church! Brayan came to our youth conference and gave his life to preach the gospel last week!!

In June we had a great Pastors Conference and had 864 full time Pastors and Evangelists and Missionaries attend! As far as I know this was the largest group of Fundamental Pastors ever to assemble in Mexico! God greatly blessed the meeting!

None of this would be possible without your support and prayers! Truly this is all fruit for your account in heaven! We love and appreciate you very much. Please pray for our safety and our family members working with us.

In Christ,

Kevin Wynne
