Nelia Layne

Dear Pastors and Friends,

We thank God for you all. Many are being saved through the different ministries here. Families are being added to the church. Last Sunday a new family was baptized.

Please pray that God will supply us with a new vehicle to pick up church attendees. The two multi-cabs are about to give up the ghost. We are 18 km away from our church building in Catarman.

Thanks to the ones that gave for the new generator for the church building in Catarman. It is a blessing.

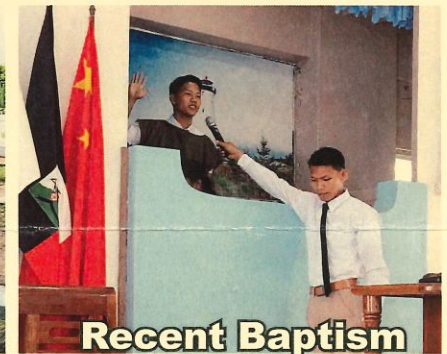

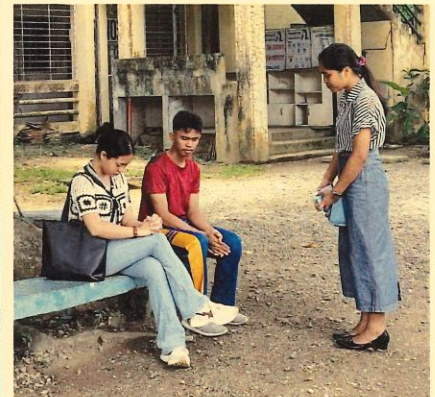

We just finished our two day Bible conference. There were two speakers from the Island of Masbate and one of our graduates. There were many decisions made by the Christians and several saved.

We would like to invite you to the Philippines. What a great harvest field. We are able to preach the gospel in so many different places. The radio station is sending out the good news 24 hours a day 7 days a week.

Please pray for my wife and me as old age is setting in. Mrs. Jones went to four doctors but found no relief from her allergy. She started taking plenty of Vitamin C and it has helped a lot. She is not scratching that much now.

We will be in the States in October. I will be getting a checkup.

Thank you again for Holding the Ropes.
