August 2025

Dear Praying Friends and Supporting Churches,

We just conducted our **18th Annual Pastors' and Workers' Conference**. Dr. Mark Bosje, the director of Fundamental Baptist Missions International, was our special guest speaker. The theme for the conference was "The Key to Effective Ministry." We taught all week on **the subject of love**. What an amazing week it was! God really worked in my heart and life. I thank God for all of the great teaching that was done by Dr. Bosje and our great staff here.

We had over 1,000 people in our Tuesday evening service and over 500 people attending our daytime sessions. Each morning, the teaching was for everyone in our main auditorium. In the afternoons, we had separate sessions for the youth, ladies, and senior pastors, as well as classes for soul-winning training, and children's ministry.

New Member of the Team – Brother Abram Gomez: Brother Abram came to Ghana in September of 2024 on a missions trip, and God placed in his heart the desire to serve in Ghana. He came back to Ghana in January of 2025 and spent two months working with our team. **We are convinced that he is a great fit for our ministry here.** He is very capable in many areas and will have numerous opportunities to serve here in Ghana.

Brother Abram will be working to help us train pastors in our Bible college. Many of our students need someone who can work with them to improve their language skills. Brother Abram fills that void, and it will make a big impact in their future ministry. Brother Abram will also be very active in all of our outreach ministries, such as our school preaching ministry, information center ministry, and radio preaching. In addition, he will help edify our many church

plants. (Brother Abram is pictured above with our graduate, Pastor Michael Naab.) We need Brother Abram on our team here. Please consider partnering with him. You may connect with Brother Abram by phone at 323-646-2696 or by email at abegomez@gmail.com.

Yours for souls,

Ted Speer
