MONTH OF NOVEMBER NEWSLETTER REPORT 2025

Pastor Corey and Church Family,

“My mouth shall shew forth thy righteousness and thy salvation all the day; for I know not the numbers thereof”

It is indeed beyond our human ability to fully describe and comprehend the faithfulness and the goodness of God. His numerous blessings and acts of kindness are countless, they are innumerable. That is why the

psalmist express and offer is unceasing praise reflecting his lifelong experience with God’s faithfulness and a desire to testify to His character, both in his time of need and as an older person.

How often do I deserve God’s righteous punishment for my sin and all those ungodly things I have committed, and yet because of His great love, kindness and mercy, He holds back from letting me be destroyed. Oh! I will never never thanked Him enough for all His faithfulness and goodness.

We would like to praise the Lord for allowing our 4th church celebrating the 2nd year anniversary. The photos in the first page shows how great God's faithfulness in His church. Never even in our dreams we think that God will bless the 4th church. I still remember when we are starting this church, we thought that nothing will going to accomplish in this place as we see how people reject and disregard His word. We thought that our hard work and sacrifices will not be rewarded. But we never quit and never stop sharing the good news to the people. Until we see how the Lord touched the hearts of the people starting to be receptive to God's word and starting to welcoming us. The Lord saves young and old, tall and small, men and ladies. And now, we would like to tell you the good news, we are humble to tell you that the 4th church is growing by the grace of God. To God be all the glory!

We would also like to take this opportunity to say thank you to all of you who prayed for us in this recent category 5 super typhoon that hit our place. By the grace of God we made it through. The storm was indeed super strong and very very scary. We thought that our house roof will be lifted up but the Lord made it sure that it was still intact before and after the super typhoon. But we still covet each of your prayers as we recuperate by the damages this super typhoon left in our place. Houses that made of light materials was wash out and a lot of crops are no longer possible of any harvest. As of now I don't know the exact figures of how many lives lost due to this super typhoon. Please pray for those who lost their loved ones in this calamity. Also please include our church people that was really really affected by this super typhoon. As far as I am concerned, our four churches was hit tremendously, but the thing that we are grateful for, no lives was being lost. Again, our sincere gratitude for all of you who prayed for us. We give all the glory and praise to our Lord and Savior Jesus Christ.

In Christ,
Brother Mark Ellor A. Caluag
