Dear Praying Friends,

First of all, we want to wish you a blessed Thanksgiving; Without a doubt we have it much better than the rest of the world! We also have the truth from the Word of God and eternal salvation that many have never even heard of! We thank you for your continued support and prayers for our ministry here in Zacatecas.

We held our first men's meeting in our church. We had 15 men show up to participate in the meeting. There were also two men that showed up as first time visitors for that meeting. We had preaching and fellowship and finished in less than two hours! Lidia also had a ladies' meeting this past month. It was the best attended meeting to date. There were 33 ladies with one first time visitor and eight children! Also, the visitor got saved!

Pedro brought a friend to church one Sunday and a few weeks later he brought his mother-in-law! Adrian brought his daughter to church. He and his family have been coming faithfully for over three months every Thursday! Over the years we have seen many children come to church UNTIL they get older and then they disappear! They seldom have any real support at home to come to church on their own. Please pray for a teen girl named America who has not come to church in good while.

A few weeks ago, we had a work day and we had a good group of church people volunteering to fix different details yet there is still so much to do. Since our last letter Lidia and I won 44 souls to the Lord and our church people won another 37! There were also six first time visitors! Thank you for your prayers and support!

Yours for souls,
Mike and Lidia Lemma
