Dear Praying Friends,

We took a trip to the border for me to pick up my renewed passport. While there on our first day we got a call from my stepmom about my dad losing his mind. We arranged a trip to see them as they are in bad health and witnessed to my dad five different times but he did not get saved. Please pray for him as he is losing his mind and the window of opportunity to get saved is getting smaller. We took my brother on this trip so he could see his dad maybe for the last time.

While out soul winning at the hospital I spoke to a man whose brother was in the hospital very sick. I gave him the Gospel and he very gladly heard it and got saved! At the end of our soul winning time there I witnessed to another man whose brother was also in the hospital very sick. He did not get saved but instead asked why the saints and the virgins could not hear his prayers. I gave him Bible verses but he decided not to believe the truth. One brother saved and another brother lost.

We want to thank those that sent us skirts for our church ladies. We ask those that are able to please send us more so that we can help these church ladies to dress correctly. We also want to thank Pastor Clark for taking care of us on our trip to New Jersey to see my parents.

One of our young ladies named Noelani won her for soul to the Lord! She was required to go and visit a nursing home because of her college training. She went and saw the conditions of the people. She spoke with one lady about the Gospel and this lady gladly received Christ and her Saviour! Since our last letter there were 40 people that got saved! There were also 7 first time visitors that came to church! We want to thank you for your prayers and financial support that allows us to continue to serve God here in Mexico.

Yours for souls,
Mike and Lidia Lemma
