July 2025

Dear Praying Friends,

Thank you for your faithful prayers and support! We appreciate all of the mail and emails that you have sent our way! Please remember that should you choose the mail option, mailing directly here to Taiwan is currently the best way for us: No. 5, Alley 86, Lane 97, Zhongxiao Road, Jiaoxi Township, Yilan County, Taiwan 262001.

Our Easter Sunday saw 13 folks besides our team come; it included an Easter egg hunt and a meal and involved almost everyone staying for the entire time. The folks who came included a neighbor and also people we have met while out or seeking people to witness to.

A little girl, Ling Xiaoyun (shao youn), was bit in the face by a dog. The bite seemed to get infected, and she had to stay in the hospital for about a week. This gave an opportunity for some of us to go and visit her and play for a while at the hospital. This is the girl our daughters have played with and shared some things about God with. Please continue to pray that their family would be saved. Her mom did seem to have good questions during our Easter Sunday.

While passing out tracts at the park one Saturday, I met a man and his kids. Early in the conversation, he told me that they had some sort of Christian type of book in their home and that one of his children had asked why was Jesus crucified, but that he didn't have the answer. So, he asked me, and I was able to share with him as much as he cared to listen to. While he did not receive Christ that day, he has maintained a good relationship, which is a positive sign in this culture.

Yilan County had a long-running festival, but a fatal accident caused it to be closed down for a short time. We as a family went down to the area, and while at a school play area, I had an opportunity to share the Gospel for the first time with 25-year-old A'zhe, who said he knew he was going to Hell. Please pray for people like him who do not know Who Jesus is and what the truth of the Gospel is. Please pray that the Lord would send more laborers into His harvest and that we and our team would be eternally fruitful while here. Please pray that we would be able to find an appropriate place to meet outside of our home.

Also, please pray for the safe delivery of our baby in July or August. God did provide us a midwife, which is an answer to prayer. Keep up the Gospel work in your place of service!

Believing God,

The Freys
