Obviously, all Glory to God for everything.

I know it is the New Year and we want to wish you an amazing New Year. I pray 2026 is mind-blowing for you.

We were able to purchase blankets for \$1.50 each to send to the refugee camp and preach to over 6200 people. The schools were closed, so we could not reach another 3500 kids, but we are praising God for many hearing and many getting saved.

We have the opportunity of a lifetime to go into a camp in 2026 with 70,000 refugees on the border. If we can get blankets for them, we can get in there and preach to them.

God Bless you!
