Dear Praying Friends,

Yesterday my wife held a baby shower for Rita one of the ladies that comes to our church in Pozo. She has been praying to have a baby girl. This will be her fourth child. She has three boys and she wanted to have a girl. God answered her prayers. This was her first baby shower and she and the ladies that attended really enjoyed the meeting.

On one Saturday Lidia invited a lady to come to church. Her name is Maria de Jesus and she is from Acapulco. She is not near where she grew up. She is living in a homeless shelter and she is here because her son is in jail. She is saved but her kids are not. Her other son is missing and she does not know where he is at. She has come to church a few times and she is in need of prayer as her family is not doing well.

A few weeks ago, Jaime brought his girlfriend to church. Lidia took her to the side and spoke to her about salvation. She had pentecostal beliefs but not very strong because she was not faithful to go there. Lidia explained the difference between the Bible and what it says and the false doctrines that she was believing. She asked the Lord Jesus to save her and to give her eternal life! Chayo has been coming to church for a few weeks and she brought her sister Socorro last Sunday. They are both saved and it is a blessing to have new people come to church with us.

We were given extra money to be able to buy a stove and a gas tank for the church in Pozo. The stove was used for the first time for the baby shower the other day. Lidia is very happy about having the stove there and the ladies in the Pozo church are happy to have one there. We are almost done with the details of the new baptistry. Hopefully, soon we will be able to plan for baptisms when it gets a little warmer. Please pray for this.

Since our last letter Lidia and I led 21 souls to Christ and our church people led another 45 to Christ! There were also five first time visitors that came. We thank you for your continued prayers and support.

Yours for souls,
Mike and Lidia Lemma
