

AMAZING GRACE BAPTIST CHURCH

MISSION REPORT

Dear: Pastor & Church,

Ministry and Mission thrives; when its churches are healthy to fulfill the Great Commission of Jesus Christ; when its leaders are accountable like the leadership of the Lord Jesus Christ, and when its members are engaged in the work of God. In this last quarter of 2025 we spotlight the **Couples Seminar**, **Mission Conference** and the **Christmas Party**.

Couples Seminars are important to our churches because they serve as a foundation element for building stronger families, fostering spiritual growth within the congregation and modeling love for the world.

THE COUPLES SEMINAR AND MARRIAGE ENRICHMENT

1. Couples Seminars helped them to realign their beliefs, values, and encouraging them to grow together.
2. In a busy world filled with distraction and digital-driven world couple seminars are essential tools for maintaining healthy relationships.
3. The couples are equipped and helps prevent minor issues from escalating into major problems, like conflict management.
4. These seminars provide a dedicated time and space for couples to step away from daily life and focus on their relationship as husband and wife.

THE CALL OF MISSION

Meanwhile missions are vital to our church because they fulfill the Great Commission of Jesus Christ. Life without a mission is a life without a reason, and God is the great initiator of God's mission.

1. God's mission is a call from heaven. God's mission is not invented by human **Not by Religion, Not by Company, and Not by Politician**. It is a divine plan of God.
2. God's mission is a call from hell. The idea of hell in our time is mocked and ridiculed by many people. The greatest preacher about hell is no other than the Lord Jesus Christ. If there is hell, it is good enough for us to continue in the mission.
3. God's mission is a call for help. "Come over to Macedonia and help us! where there is no vision the people perish. the answer for Philippines is not religion, but the message of salvation.

THE CHRISTMAS SEASON

Finally, The most awaiting moments in the Philippines and around the world. The Christmas Season! Jesus is the reason for the seasons. Billions of people celebrate Christmas, but many including some of our friends and family don't really know why it matters. Christmas is about the birth of God's Son "The Lord Jesus Christ". Its about how be came to give Us Love, Hope and Joy. Its all about Salvation and Celebration that our Saviour is born!
