Dear Friends and Pastors,

Several friends and family members called us this month, due to their concerns over our safety in Mexico. Apparently, lots of violence broke out when the drug lord of the largest cartel in Mexico was TAKEN OUT by the Mexican military, with the help of the US Military. Airports were closed down. Flights were canceled. Americans were told to shelter in place. For us, it's just another day in a third-world country that needs Jesus and the Bible. It is true that it is very dangerous in Mexico. But, America is not exactly the safest place in the world, either. You know, I spent 30 years in the shadow of New York City. Before that, we ran Sunday School bus routes into the worst neighborhoods of Chicago. Where sin abounded, grace did much more abound. We sincerely ask for your prayers as we continue bringing the light of Jesus into this Sin-darkened world.

We had the wonderful privilege of distributing 500 BEAMS Bibles at the Tommy and Jonathan Ashcraft conference this month at Mount Hebron Baptist Church. Brave and faithful pastors receive these bibles from us and then, hand them out personally to a new convert who wants to follow Jesus with his life. BEAMS has given us 10,000 Bibles a year for many years now. We mail them all over Mexico. We hand them to pastors at our office in Monterrey. Totally free of charge, with accountability. We have the records of every pastor who receives the Bibles. We spent the last week of February up in Gulfport, Mississippi at the annual BEAMS Bibles Conference. What a joy, and what a privilege.

We had two new families begin riding our Sunday School bus this month. They live in great poverty, but when they accept Jesus, they have something to live for! If you think the family structure is falling apart in America, you should see it in Mexico. Alcohol and immorality are rampant because of generations without Jesus and the Bible. It is really pathetic. But one by one, we are changing Mexico. Our church operates 8 bus routes that reach into the colonias of Monterrey.

Our print shop has been busy this month. More printing means more of the Gospel is being given to more people. When our machines break down, either we fix them ourselves, or else we drive them up to Beaumont Texas, where they are professionally repaired for free by a wonderful Christian businessman.

We received annual ministry reports from our missionary pastors in India. Each one is reaching his area with the Gospel and teaching the Word of God to their new believers. They baptize outdoors and lives are changed one by one. They have a local church led by a local pastor. Praise the Lord!

Thanks you for praying for us and for helping us fulfill the Great Commission. We pray for you and your church that the Lord will bless your church with much fruit that remains this year.

Praising the Lord,

Dan and Carrie Kaighen
