Dear Praying Friends,

We are both excited because this Friday our daughter Abi and our granddaughters Adela and Aurora are coming to visit us for two weeks. We will be very busy with them and with the ministry details that are planned. One of these details is the very first use of our new baptistry building. Please pray that many will be baptized this Sunday. Many people and churches sent us skirts and dresses to give to our church ladies. We were finally able to pick them up at the border. We really appreciate the response from our supporting churches and people that sent them to us. We will be having a future ladies' meeting to give them away!

A man that lives across the street from our Pozo church passed away. This happened when we were at the border. When we returned Lidia and Maria de Jesus went to visit the family and give our condolences. They did not find the mom there but they visited with two of their daughters. They were given the Gospel and Vicky and Amy got saved! We also gave them a food basket. Many of this widow's children come to our church on a regular basis.

Speaking about our border trip this past week, there were very dangerous situations with the killing of a cartel boss and we had considered canceling the trip. Things calmed down a lot and we asked many people to pray for us. We took the trip and returned and there were no problems what so ever and we realized that God answered our prayers. We came back with our van full of ladies skirts and dresses, not to mention the many others items that we brought back! We saw God's hand helping us and protecting us!

We had three first time visitors come to church since our last letter. One of them was Juanita who got saved on Saturday at the hospital and came to church with us on Sunday! Abi a young lady that has been coming with her family for the last two months got saved. I witnessed to her on this past Sunday because she had doubts about her salvation. Pray for her to be baptized this Sunday. Armando and his son Armando came back to church! The dad had not been in church with us for more than 15 years! They have been faithful coming every week! Luis came a few times to our church this past month. This contact was from the hospital. Wendy's boyfriend and his mom came to church with us.

We celebrated my 62nd birthday at church a few weeks ago. We had good services and a good attendances. We also have had good soulwinning results with Lidia and I seeing 28 saved and our church people seeing 35 saved! We want to thank you for praying for us and supporting us these many years. There is so much more to do and so little time!

Yours for souls,
Mike and Lidia Lemma
