

WILKERSONS TO WEST AFRICA

Serving in Benin

Dear Prayer Warriors, Supporters and Friends

Thank you for praying and loving on our family during this season! God has been so good to us!!

Although we were praying and hoping Aurora would wait a little longer, it was an incredible moment to meet her “in person” early the morning of March 9th and hear her tiny cry. She is in the hands of a loving God that is working through an incredible team of people here in the NICU.

They estimate she will be here until around her original due date which is in the beginning of June. She has a long road ahead but has already shown us that she is up for the challenge! In three days she will have a brain ultrasound to check for any possible brain bleeds. Please pray that everything comes back clear.

The Lord hand knit Aurora together just as he has done for each of us. He has perfectly placed each star in heaven as well as every hair on her tiny head. And somehow he knows the number of each one. His name is excellent and worthy of praise! We are trusting Him and following His leading as we walk through this new season.

*“When I consider thy heavens, the work of thy fingers, The moon and the stars, which thou hast ordained; What is man, that thou art mindful of him? And the son of man, that thou visitest him?
O LORD our Lord, How excellent is thy name in all the earth!”* **Psalm 8:3-4, 9**

The ministry in Benin is continuing to flourish as the brothers in Christ continue to evangelise the lost, disciple those who believe and see churches started! When I am able to return several have shown an interest in being baptised! If you want to come to Benin with me for a week, let me know!

Thank you for those who have given additional support during this unexpected time with unexpected expenses!
