

WILKERSONS TO WEST AFRICA

Serving in Benin

Dear Prayer Warriors, Supporters and Friends

Update on Emily and baby Aurora!

Both Emily and Aurora are currently in a stable condition and are eagerly waiting the medical evacuation plane to arrive Lord willing on Friday to take them to UT medical facilities in Knoxville TN for more advanced treatment. Azariah, Asher, Alaska and I will be following soon after on a commercial flight.

Thank you for praying for us and for those of you who have sent love offerings to help offset the costs of everything! May the Lord richly reward those who have invested time and resources to support your family in Christ.

The ministry is in good hands with trained leaders in all of the churches and Bible studies that are capable of rightly dividing the Word of Truth and actively accomplishing the great commission. There are 5 leaders who will be overseeing several new church plants each week and the 35 evangelists/disciples/church planters as they all continue in fulfilling the command Christ gave us! Thank you for praying for each of these men and for those who faithfully support the work we are doing to bring the Gospel to the lost, baptise those who believe and teach them all things that Jesus taught us knowing that He is with us always even unto the ends of the earth!

We are thankful to have had visitors come from Heritage baptist church in Calhoun GA to help with our children and the ministry through this difficult time. We are also thankful that my cousin Matthiew and his wife Annalise came to visit and help with the kids after the group left! The Lord is so good!
