**Dear Praying Friends and Supporting Churches,**

**Influence in the Upper East:** Several years ago, our graduate, Pastor Michael Naab, and others helped conduct a Soul-Winning Training Conference in the Upper East Region of Ghana. God opened this door for us because a pastor in the area named Moses Danlardi had been watching our TV program, and he invited us. During that conference, Pastor Michael Naab met a part-time phone repairman/part-time street preacher named John Bosco and led him to Christ. Sadly, in 2025, Pastor Moses passed away after battling with some health issues, but the influence of the Gospel still continues in the Upper East through the ministry of John Bosco. Bro. John now preaches salvation by grace through faith. Pastor Naab says Bro. John has a "deep desire to learn more about salvation, grow in soul winning, and reach more souls for Christ."

**Soul-Winning and Evangelistic Conference:** Bro. John invited us to conduct another Evangelistic and Soul-Winning Conference in his area at the end of January. Pastor Naab (our graduate), Pastor Louis Gyami, and Zomie Toah (our recent Bible college graduate) made the 375-mile trip to Sandema in the Upper East to conduct this conference. (Pictured here from left to right are Pastor Louis, Bro. Zomie, Bro. John, and Pastor Naab. Two are wearing masks due to the dusty conditions in that area.) Pastor Naab shares with us this report:

*The purpose of the meeting was to share with a group of pastors and their members the clear Biblical message of salvation. The program started Monday afternoon with visitation in the community to win souls and to invite them to the open-air meeting that evening. These open-air services were held each evening for 3 nights with more than 200 people in attendance. On Tuesday and Wednesday mornings, we taught more than 30 pastors and their key members (photo below). Salvation was clearly presented, along with foundational Bible doctrines. We went soul winning Tuesday and Wednesday afternoons as well. Fourteen were saved through personal soul winning. Additionally, we preached in a school Wednesday morning, where more than 200 students and teachers heard the Gospel. During this time, we distributed 40 Bibles and 150 Gospel booklets.*

**Prayer Requests:** Please pray for Bro. John Bosco to be able to continue the work that has been started in the Upper East Region of Ghana. Also, **pray for our annual SMITE camp**, which will be held April 13-17. We want to continue to train young people to conduct neighborhood Bible Clubs. We estimate the cost for this camp to be \$5,800. Thus far, God has provided \$3,800. With the additional \$2,000, we can bring experienced preachers from Missionary Mark Holmes' ministry in Nigeria to help us with the teaching and preaching during the camp. If you would like to help with this need, please visit [www.fbmi.org/give](http://www.fbmi.org/give) and select fund "6180 Ghana Special Projects," and put **SMITE** in the "Notes" field. If you could email me at [tspreacher@gmail.com](mailto:tspreacher@gmail.com) to let me know that you have made a donation, that would help us in our planning.
