

December 2025 / January 2026

Dear Friends,

Thank you for partnering with us!

We praise the Lord that in 2025, 4 of our Bible college graduates went out from our church to start other churches! I also thank the Lord for the opportunity He gave me to lead over 100 souls to Christ in 2025 through personal soul winning! Ghana is a very ripe harvest field!

**Church Music Program**

In this prayer letter, I would like to highlight our church's music program. Lindsey and I have been privileged to lead our music program for the last 13 years. Music is such an important part of our church services, and it has been a great blessing to see many of our church members learn to praise God in song!

Our church choir has grown to about 45 members. We sing an opener each Sunday in church, as well additional specials once or twice a month. This has proven to be a great ministry for our church members to serve in, and our church members really enjoy hearing our choir each week. We also have an adult ensemble with 21 members.

Recently, our church started an orchestra! Our orchestra members practice together each week, and our orchestra has played several times in church. Our vision for the future is to have a fully trained orchestra to play in our services each week. All of these music additions have greatly helped the spirit of our church services!

Our church has invested much money in obtaining musical instruments and helping to care for the financial needs of our music ministry, yet our music ministry currently has some needs I would like to share with you:

- Choir music for our growing choir
- Musical instruments for our orchestra
- Music books and music stands for our orchestra
- A music camp to train orchestra members

Our goal is to raise \$3,000 to \$5,000 to help meet these needs. I know that if we are able to fund these needs, our church will have a much more impactful music ministry, and our people's hearts will be more stirred to respond to the preaching of God's Word in our services. If you are able to help with these needs, we would greatly appreciate it.
