THIS DO

## From The **EXECUTIVE DIRECTOR**

The 23rd National BEAMS Bible Conference was a wonderful time. God blessed us with tremendous preaching, singing, and fellowship! The weather was perfect for the open house and fish fry. The BEAMS Biblical Heritage Exhibit was a must-see during the open house. Many watched the video and then spent time examining their favorite display cases.

**CATFISH SERVERS!**

**BIBLICAL HERITAGE EXHIBIT**

Pastor Holland and the members of Bethel Hill Baptist Church served an authentic Southern catfish supper with all the trimmings. The servers not only filled plates but did so with warm Southern smiles. The young people helped by carrying plates and drinks. One brother commented that he could make a meal just on those delicious baked beans! The ushers from Faith made sure everyone was able to park safely.

Faith Baptist Church was once again a tremendous host. They held a large workday the Saturday prior to prepare the facilities for the services. The meals offered something for everyone. If you went hungry, it was your own fault! They even had snacks available following the evening services.

The preachers delivered powerful and helpful sermons, and the singers prepared our hearts for the preaching of the Word of God.

If you missed any part of the conference, I encourage you to visit Faith Baptist Church's YouTube page and watch the services.

We concluded the week with our Annual In-Service Training for the BEAMS missionaries. Dr. J. D. Weido and Dr. Dan Carr, Sr. brought helpful messages to our team. It was a blessed time of fellowship, instruction, and encouragement.

I do not have the words to fully express my gratitude to the members of Faith Baptist Church, Bethel Hill Baptist Church, and the BEAMS staff for their hard work in making the 23rd NBBC a success.

I am already anticipating the 24th NBBC! Thank you again for standing with us in this ministry.

Until the shout,

*Bro. & Sis. Lockard*

# POSTAGE UPDATE!

Many BEAMS Bible recipients have been blessed by supporters who take a box of Bibles to the post office and personally pay the postage. Over the years, however, many have expressed a desire to help but face certain obstacles. Some have said, "I would love to mail a box, but my schedule will not allow me to get to the post office during window hours." Others are physically unable to make the trip, and some cannot afford the full cost of mailing a box.

In response, our missionaries began offering to mail the boxes if individuals would simply provide the funds. Postage offering envelopes were made available so people could contribute toward mailing costs. This solution worked well for a time, but today many people no longer carry cash or use checks.

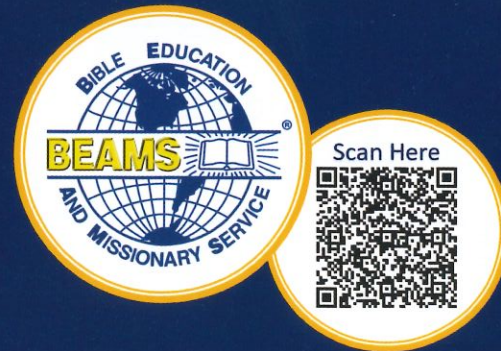

Additionally, changing customs procedures in several countries have prevented us from shipping Bibles through USPS. While alternative shipping methods are available, BEAMS currently does not have sufficient funds to cover these increased costs.

To help meet these needs, we now offer the option to donate directly to postage online. Bro. Daren has set up a QR code specifically for postage donations. When scanned, it will take you directly to the postage donation page. The listed amount reflects the average cost of mailing one box of Bibles, though donors may adjust the amount as they desire.

With the pastor's permission, our missionaries will have this QR code available at their display tables, providing an easy way for supporters to help place God's Word into the hands of those who need it most.

**SKIP  
the  
LINE!**

SKIP THE LINE AT THE POST OFFICE!

Donate the postage and we will mail the box for you!

# WEBSITE UPDATE!

One of the ways that missionaries and national pastors learn about BEAMS is through our website. Bro. Daren Tichenor, Jr. has done a tremendous job of redesigning it. He was able to find us a less expensive server to host our website and there have been new features added to make it more user friendly. These changes have been a great blessing to the staff by making the process easier.

Missionaries that are needing Bibles are encouraged to go to the website and apply. You can also read past newsletters, prayer letters and view videos. You can make donations for Bibles as well. This QR code will take you directly to the website.

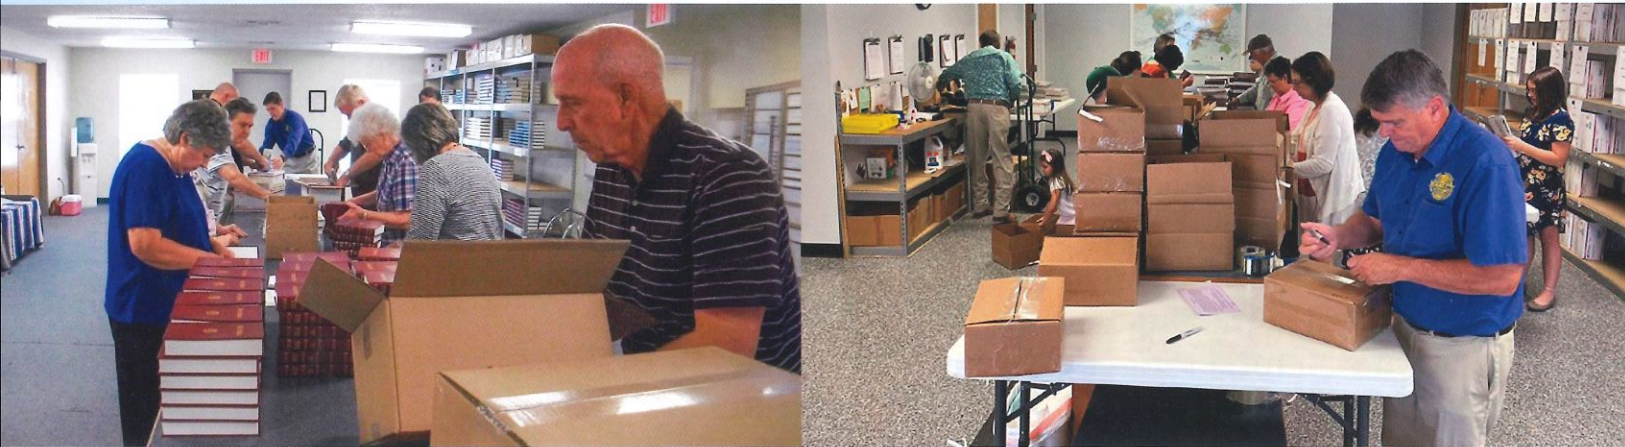

# VISIT BEAMS HEADQUARTERS

We are always glad to have missionaries, pastors, families, church schools, home schools, and church groups visit our headquarters to help pack Bibles or tour the BEAMS Headquarters. Come see what God is doing through the BEAMS ministry. Bro. Scott is scheduling packing groups from a single person to 15-20 for 2026.

It is a great opportunity for ages 12 and up to help missionaries and national pastors to be able to disciple their converts on the foreign fields.

If you would like to schedule a time to pack Bibles, contact Bro. Scott at 228-832-1096 or [scott@beamsbibles.com](mailto:scott@beamsbibles.com)

## BEAMS EVENTS

- March 20, 2026
