The Ingrams Missionaries to Brazil

February 2026

Our short furlough is going well. It is hard to believe that it has been over eight years since we have had a full furlough. It has been a tremendous blessing to spend some time in our home church and sit under the preaching of our pastor. We are so thankful for our home church and their kindness and generosity. During the New Year's Eve service several of the young men, including Joshua, were given the opportunity to preach. It was a blessing to see God use these young men.

We have been able to visit a number of our supporting churches and share a little of what God has done over the last few years. What a blessing it has been to reconnect with old friends, as well as making new friends. We are so thankful for all those who support us prayerfully and financially. It has been so encouraging to see what God is doing here as well.

The church in Brazil is doing well in our absence. Bro. David Johnson and his wife Lily are doing a great job caring for the church. In addition to caring for the many ministries, they also ran a family camp in the month of February. Please continue to hold them up in prayer.

David and Lily had a bit of a scare during the month of January. Some thieves broke into our house during a Sunday morning service. Thankfully no one was hurt and the thieves were gone by the time they returned from church. The thieves took a projector and some other personal items. We praise the Lord for His protection.

While we have enjoyed our time in the US, we are looking forward to getting back to Brazil. Please pray for us as we will be heading back to Brazil on April 2nd. We have already purchased tickets and are making final preparations for our return.

Serving Christ in Brazil,
Tim Ingram
