

Dear Pastor Corey and Church,

## **Mission Report for the Month of February and March 2026**

Greetings from the mission field of Santa Barbara, Guimaras and Town of Alimodian, Iloilo.

We are able to start a new mission work in the Town of Alimodian Iloilo it is a two-month-old ministry! We have an average attendance of 15 Adults and Young people as well children. And 6 Baptized converts. By God's grace we are able to rent a vacant lot where we can gather our worship service during Sunday morning. It's my prayer and the members to acquire a property and build a light material church building since there is no Bible Baptist Church here in this town.

Please consider helping us to raise funds for this church lot in Alimodian Iloilo.

Concerning the Work in Guimaras, the mission work continues but unfortunately our mission Preacher by the name Richard Cabalo left the work. But we send out another Preacher by the name of Jayboy Sevilla to continue the work where we have two family church members supporting the ministry every week doing Bible study and Soul winning. In fact these members donated a beach area for the church activities such as Youth camp and other fellowship.

As far as our main church here in Santa Barbara, We are able to baptize 5 new Converts these consecutive weeks .And we are now preparing our 4th Youth Revival Conference to be held in CLBBC Santa Barbara, Iloilo where we are expecting 200 young people to join.

Please continue to pray for the following ministries

1. Rescue 3:16 Soul winning Team
2. Group Discipleship Class
3. Radio Evangelism
4. Bible school institute
5. Missions

Thank you for the partnership in reaching the lost for Christ!
