teaching all nations

Dear Pastor,

I hope this letter finds you well. I am writing to ask for your prayerful consideration in supporting a special offering for an upcoming mission trip to India in the fall.

The purpose of this trip is to spread the Gospel and assist in starting Bible colleges to train local believers for ministry. We believe this effort will have a lasting impact, equipping others to continue the work of reaching souls for Christ.

If the Lord leads, we would be grateful for the opportunity to share this burden with your church and receive a special offering to help meet the financial needs of this mission.

Thank you for your time, prayers, and faithful service to the Lord.

In Christ,

Matthew 28:19 Go ye therefore, and teach all nations...

## teaching all nations

In March we traveled to **Belize** with an incredible group of men. John Woosley, James Goodall, James Sawyer, Estevan Covington, Houston Williford, and Herbert Hidalgo lived out *Ephesians 4:2,3 With all lowliness and meekness, with longsuffering, forbearing one another in love; Endeavoring to keep the unity of the Spirit in the bond of peace.*

What a privilege to see God work through these men as they sacrificially gave their time, talents, and treasures to the Lord.

We thank the Lord for the faithful missionaries in Belize, **John Harris** in Dangriga and **Israel Alvarez** in Orange Walk. They both have vibrant works that are growing and thriving. Their wife and children are precious and wonderful servants of the Lord. We so enjoyed spending time with these amazing folks.

Mornings were spent constructing the second floor of a building, a bathroom, installing a projection system, clearing property, or any task that could help the missionaries. Afternoons were filled with **soul winning**, bus calling, or canvassing and there were services in the evening.

The **TAN Conference** for Bro. Israel's college was well attended. A dozen students enrolled and the official launch will be in July. We also had Open Air Meetings which drew large crowds. A man was stopped on the road, invited to come, and he brought his entire family. They all trusted Christ, and are thrilled to have a new church plant to attend. 81 put their faith and trust in Christ.

The Lord allowed us to teach and present the Gospel to the classes at a 7th Day Adventist School! Missionary John Harris told us they NEVER let folks in to talk to the students. God opened the door!

We had a friendly iguana at our lodging, a centipede invasion, a large downpour of rain while in a remote area, a bucket of cement dropped on someone's head, and ATM struggles. God gave us HIS strength, wisdom, protection and blessings each day.
