Dear Friends and Pastors,

Praising the Lord, Birthday MONTH! Yes, it's true! Carrie and I both celebrate birthdays in March. So... I took Carrie to a Mexican Hot Springs in San Joaquin about 1½ hours away. We went in the morning, and almost no one was there. Talk about relaxing and therapeutic!!! We gave out Gospel tracts to the lady and maintenance man there.

While driving back home from the Mexican Hot Springs, in a desert area we saw a road-side stand selling succulent cactuses. We stopped and purchased some. Carrie gave the Gospel to **3 ladies**. **They all gladly accepted God's promise of Salvation in Jesus Alone.** It was a perfect ending to a perfect day!

For my Birthday, we went up to Ennis, Texas and attended the annual Texas **BEAMS conference** with Pastor Marc Smith. They always do a super job caring for the attendees! It was just the best Birthday. But the Lord gave us one more wonderful gift on my BD. We went into a pawn shop, and the owner (a great friend of ours) told us that one of his employees needed to be saved. Carrie gave the Gospel to him, and then asked me to come and lead him in the sinner's prayer. It was absolutely amazing. The next day, he went to church with the pawn shop owner and made his salvation public. Ain't God GOOD?! Carrie and I both had someone saved on our BD!

In February, we had left another one of our printing machines in Beaumont, TX to be repaired. In March we returned to pick it up. Those repair men are such a great help to us missionaries. We brought the machine back into Mexico, and as I am writing this letter, the machine is cranking out several thousand copies of a tract for a church here in Mexico. Praise the Lord! Now we have 3 machines up and running for **Wonderful Word Publishers!**

Believe it or not, there are now 20 Mexican Churches that donate monthly for us to buy Bibles to be distributed here in Mexico. During the year 2025, BEAMS bought us 9,431 Bibles. But the Mexican Churches, in 2025, bought us 895 Bibles. The churches in Mexico are now purchasing almost 10% as many Bibles as the American churches are! It is truly amazing!

We do have a prayer request. Our pastor here in Mexico, Noe Montelongo, is quite a busy preacher. Last week he suffered some kind of paralysis on one side of his face. He is 46 years old, and is very active. The men of the church all gathered around him Sunday night and laid hands on him in prayer. Please pray for his health.

Thank you all for your prayers for more people to accept Christ as their Savior, for a Pastor for the church in La Chona, for the printing ministry-Wonderful Word Publishers, for our health, for the Pastors in India, for the BEAMS Bible ministry and for our bus route. We are trying to bring in another van for the bus ministry, which will cost around \$2,500-2,800. dollars to legalize it with Mexican plates. God bless you all.

With much gratitude,

*Dan & Carrie*

*Thank you so much for your prayers & support.*
