Dear Praying Friends,

Just recently Lidia and I had to take a trip to New Jersey because my stepmom Pam died. We were there for the funeral service and also to help my dad. He heard the Gospel again at the funeral but did not believe it. Please pray for him. Pam got saved a few years ago and she was even witnessing to my dad before she passed! Pastor Clark had led Pam to the Lord a few years back and he also preached her funeral service.

We are still looking for a place to rent in Pozo de Gamboa. We have asked many questions and visited different houses but all the owners want to sell and NOT to rent. Please pray with us about this. We also have been working and doing repairs on the Zacatecas church building. There have been some of the church people come and help me. This of course is a great blessing!

Moises is the nephew of one of church ladies. He has been very sick. He came to our church services with his mom in gratitude to God because God healed him of his problem! He had promised his aunt that if God helped him that he would visit us in church. He kept his promise even though they are very catholic. There were two men that were staying at the hospital from out of town. They had loved ones there that were very sick. Our ladies found them and gave them the Gospel. They both got saved and came to church with us the following day! There was also an older lady from Veracruz that came to church to visit us. She was already saved and she said that her son pastors a Baptist church.

We had about 20 people from a nearby children's home stay overnight at our house. Across the street from their installations there was going to be an all-night devils' party with about 1000 people present. They came to stay with us that night and Lidia had a water balloon fight with them. They all had a great time.

Since our last prayer letter, we and our church people saw 56 people trust Christ for salvation! There were four first time visitors that came to our church services. During our time out, taking care of family, we had our church men take care of all of our services at the two different churches. Praise God for these willing men!

Yours for souls,
Mike and Lidia Lemma
