

DANIEL AND MARY-ANN WILLIAMS

May 2026

Dear Supporters and Praying Friends,

We love being used by God! So far this year, our family has been able to lead many people to Christ, see several come to follow the Lord in baptism, work with discipling new Christians, see some begin coming out for church-wide visitation and soul winning, and bring a combined total of over 1,000 people to church! As mentioned in our last letter, our 8-passenger minivan is getting quite a workout, as we regularly load 15-plus people into it. We pray that God will provide a larger vehicle with an engine that can handle mountain driving. Thank you very much to the church who gave toward our vehicle fund! While Luke and Titus are in the States and Timothy and Hannah are involved in 2 of International Baptist Church's regular routes, Mary-Ann and I alone have averaged bringing close to 40 people every Sunday morning this year, with a high day of 63 on our church anniversary! It has also been such a blessing to see families want to come for Sunday afternoon and Wednesday evening services. We are happy to be able to help them come to church, as most of the families with whom we work do not have transportation. Many we bring are children, but God has blessed us with many teenagers and parents attending regularly and faithfully as well. Some of them have also begun inviting visitors and encouraging them to come to church. With blessings also come trials though. Satan has attacked International Baptist Church, our family, and the people with whom we work. But Christ is stronger, and through Him we have the victory!

Alex Pandato, the husband and father of some of our faithful riders, trusted Christ for salvation last year and decided to follow our Lord in believer's baptism, and I had the joy of baptizing him! The first picture below is of me baptizing him. Please pray for him and his family, as he has not had regular work for over a year.

We have enjoyed some visitors, with Pastor Schearer of Heritage Baptist Church of Great Falls, Montana, and Pastor Wilkerson of First Baptist Church of Hammond, Indiana, bringing groups for our double Sunday church anniversary and Missionary Micah Christiansen to Ghana and his family visiting later. Our family really enjoyed getting to spend a little time with these visiting friends. During Pastor DeMotive's American furlough, I had the privilege of preaching several times in International Baptist Church, along with my regular chapel preaching in our Bible college here.

Thank you all again for your faithful prayers and support! Below are pictures of some whom we had the joy of leading to Christ and seeing baptized during this time. Don't forget to visit our webpage at <https://fbmi.org/missionary/williamsd> for many, many extra pictures! We love you!

Sincerely,

R. Daniel Williams
