Dear Friends and Supporting Churches.

Greetings from Guatemala! Thank you for your prayers. We are glad to report that in answer to prayer, we concluded a Family Conference at both of our churches a couple of weeks ago. The conference lasted for three days, with invited speakers at both meeting places (San Jose Pinula and Cristo Rey). We saw families reached, souls saved, homes helped, and marriages fortified during the conference. Glory to God!

Special Prayer Request

Over the past few months, my personal health has been touch and go due to a painful, swollen left knee. This illness is baffling the doctors, and to this day, I cannot say what is causing it. As of now, my condition seems to have improved, and I can get around fairly well with only a walking stick. Please pray that God will heal my left knee. Thank you for your prayers.

We are glad to report that we have seen 19 young people saved in our public school ministry this year. In collaboration with the principal, we have changed the program for teaching the Bible. We eliminated the Bible Club meetings that we were holding at the school last year and are now teaching directly from the Bible in each of the classrooms for full periods. Please pray for this ministry.

Thank you again for your support and prayers.

Sincerely in Christ,

Angel Lopez
