

Ye Also Helping Together by Prayer for Us (II Corinthians 1:11)

Dear Pastors, Churches, Families, and Friends,

We hope and pray your spring season is progressing well in the Lord. We thank God for your prayers, which are effective towards the many endeavors and opening of doors here in Thailand. April brought many events, including Bible English Camp, Resurrection Sunday, the Border Camp Gospel Pre-Trip, and the Afternoon Program. At month's end, our teenagers will attend a three-day Teen Camp near Bangkok. We thank our Lord also for many souls saved, new visitors in church, and the opportunity to be a light here in Thailand, legally, with God's protection.

Bible English Camp: Nearly 70 excited students attended this year. It was such a joy to see our three kids actively involved in teaching and helping throughout the three-day camp, along with other teenagers who have grown up in the churches. These young people, the future preachers and preachers' wives, are already willingly and actively serving the Lord. Thankfully, 9 newly attending children were saved.

Resurrection Sunday: Many members and first-time visitors were in attendance on this special Sunday. Between the two churches, over 325 believers came to celebrate their risen Saviour. Praise the Lord, over 100 of these are children who have the potential to grow up in the nurture and admonition of the Lord.

The Refugee Border Camp: This is a dream-like opportunity to give the Gospel to many who have never heard. For the first time, we will be allowed to bring both the Gospel and food (rice) into the camp, where roughly 5,000 people live, and we will be able to share the Gospel with every single resident, in person and over the public address system. The date will be June 12. We would love for you to be involved prayerfully, financially, or both. The camp officials are very protective and have asked that we not post any camp content online via social media.

Soul Winning: Each week, we go forth bearing precious seed multiple times, and God gives the increase. Not every person will receive the Gospel, but we praise the Lord for the souls who made the decision to accept Christ as their Saviour. It is so important that we are faithful to obey the Great Commission of our Lord Jesus. Gon is a motorcycle repairman who seemed to be just waiting for someone to give him the Gospel. He was so ready to hear and be saved. Naam Haum and Yai Mai were led to the Lord by Harmony and have both come to church since. Khun Gaow has made it his goal to bring every new worker in his cement company to church. On a Wednesday night, he raised his hand to give a blessing and then pointed to his friend and said, "He needs to be saved." Walaapo, age 19, heard the Gospel that night and trusted in Christ as his Saviour. Our family has been able to lead 16 souls to Christ since the last prayer letter. Many more souls were led through the servants of the two churches. God's work is multiplying.

Vessels of Honor Afternoon Program: This new program is dedicated to spiritually equipping our young ladies for the trials and temptations that young people are often confronted with. The young ladies have enjoyed getting to know each other on a personal level, encouraging each other, learning deeper spiritual truths together, and sharing prayer requests from their hearts.

Prayer Requests: Pray for the upcoming Teen Camp and for our young people to make eternal, Holy Spirit-led decisions. Pray for souls to be saved at the Border Camp on June 12. Please pray for continued first-time and returning visitors in church, baptisms, and further grounding in the truth. The future is bright here. Thank you for praying!

Grateful to serve,

Bro. Chad Inman & Family
