

PRAY FOR THE **HEBERT** FAMILY

MISSIONARIES TO TORONTO, CANADA

March/April 2026

Dear Pastors and Praying Friends,

Time flies when you're having fun, as they say, or was it when you're sleep deprived! Either way, time is precious when you're spending it with those you love in the service of our Saviour. In early March, I got to join our pastor and several other men from both our church and other churches of like faith on a missions trip to Mexico. Our purpose was to assist Missionary Robert Wilson in Guadalajara with putting a new roof on their house and church. The work was hard, and the sun was hot, but the fellowship was incredible. I feel like I got to build greater friendships with the men from our church while forming new bonds with fellow labourers from both Canada and Mexico. The cherry on top of the trip was the church service on the last night we were there. It touched my heart to hear those believers, who had so little, sing so fervently for Jesus. There's really no way to describe it without writing a book, but I know that God did so much to increase my heart for His work around the world. A couple of weeks later, we rushed off to the Servants' Conference in Hammond, Indiana, where we got to reconnect with old friends while being equipped and encouraged to go on for Christ. Things settled down travel wise near the end of March, and we ended things for the month by having a teen activity centred around Bible distribution. We had several young people join us as we hit the streets and distributed a lot of Bibles door to door.

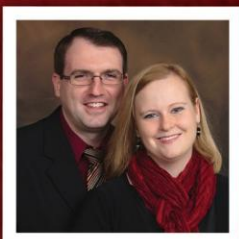

In April, Abby turned six months old! See what I mean when I say time flies?! By the time you get this, she'll be seven months old (slow down, Kiddo)! Since the weather sort of begins to warm up in April here, our church always has a Soul-Winning Rally to kickstart our Spring/Summer Campaign. A lot of people, not just from our church but from other Baptist churches, came to hear encouraging preaching and then to go out door to door. This was Abby's first time to go out soul winning and our first time as a family of three to go out together. Granted, Abby slept through the whole thing, but she went, nonetheless. I look forward to many more opportunities to take my little girl with me to reach souls for Christ. There is one last blessing to mention. We took our teens to a Youth Workshop in Toronto, where they learn things about serving God and consecrating their lives to Him. One of the events is a young preacher boys' time in which they get an opportunity to preach a short message. One of our young men, who feels called to preach, gave his first message at this event!

Prayer Requests:

1. Pray for God to work in my outreach to the public schools. To date, over 700 Bibles have been handed out to teenagers outside their schools this school year.
2. Pray for God to move in the hearts of our youth group. Satan is battling and hitting our young men particularly hard.
3. Pray for our June Youth Rally, as teens from the surrounding area will come for fellowship, food, and preaching.
4. Pray for Abby to grow big and strong. She is a bit on the small side, and our doctor wants to see her put on some more weight. All is well, and she's as healthy as she can be, but pray that we would have wisdom in helping her grow not just in body, but in spirit. We are certainly learning as we go, but God is faithful.

His servants and yours,

Brian, Liz, and Abby Hebert
