

THE NIBBE FAMILY

Missionaries to Timișoara, Romania

January-April 2026

Dear Praying Friends,

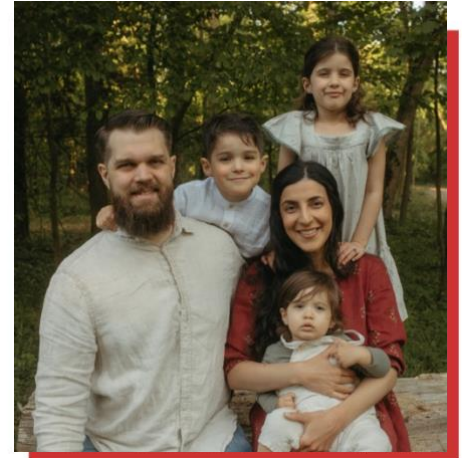

We would like to share some highlights from the last few months of ministry here in Timisoara. The Tylers have been on furlough over the last few months and will be returning in a few weeks. Bro. Charles Sligh has been with us since the end of January, and he has been a tremendous help to us in the Bible college and in the church. I am very thankful for his encouragement during his time here.

One of the highlights of the last few months has been our Bible College ministry. The Baptist College International has had the largest enrollment in its recent history. We have fifteen wonderful young people enrolled this semester. In May, one of our young ladies will be graduating. Please pray for Gabriela as she seeks the Lord’s will for the next steps in her life.

February and March felt like a bit of a blur with the busyness of church ministry and college ministry. Along with these responsibilities, I have also been finishing the last year of my Master of Divinity in Biblical Languages and will be graduating this May – praise the Lord! I pursued this degree to better equip me to teach at our Bible College. I have been teaching Greek, and I plan to add Hebrew courses in the following school years.

In March, we had a great ladies’ meeting with our church ladies and a few new visitors. The theme was “Unmovable in Troubled Times,” and my mom came from Cluj to be our speaker. The ladies enjoyed an evening of food, fellowship, games, crafts, and a Bible message. We had many ladies who helped make the night special, and we are so grateful for their willingness to serve.

In April, we had our youth conference at The Baptist College International. We had a great group of young people from different churches around Romania, as well as a few from Ireland. Our speaker was Bro. JJ Spillman, and the theme was “Look to Jesus” from Hebrews 12. There was a wonderful spirit among the young people, and we enjoyed a few days of preaching and fellowship together.

We have a brief furlough from May to July for graduation and to report to churches in eastern Canada and the United States. We will be returning to Romania on July 6th. This summer, we will have a large group from the US visiting the ministry in Timisoara. There will also be several youth camps taking place throughout the summer months.

Our next step in ministry is church planting. This summer, we will begin canvassing the north-west side of the city. I have been looking for places to meet in that area. Right now, we are looking at a commercial space that could be rented and converted into a meeting space for a church. I have considered storefront locations in newer apartment blocks and have looked at some warehouse areas. Please pray for the Lord to lead us to the right spot.

There are several things that we will need over the next few months as we begin. First, we need a van. So far, we have raised 20% of the funds needed for the vehicle. Second, we need to purchase things necessary for a meeting space: a piano, a sound system, a pulpit, a screen, a laptop, chairs, music stands, and funds for tracts, invitations, and a new website. Please pray for us as we search for the best options for these needs.

Thank you for your continued prayers and support. We look forward to beginning this next chapter of ministry this year. We know that by the Lord's Spirit and through your prayers, God will work.

What would a youth activity be without pizza?

I'm thankful my mom could come and speak at the ladies' meeting in March.

Our children are doing great and growing so fast!

Eliorah just finished 2nd grade and loves to read. She is also advancing in her piano skills. She is usually found playing the piano, drawing, or curled up with a good book.

Zion is 4.5 and is becoming a little man. He is learning the alphabet sounds and just recently taught himself how to ride a bike without training wheels. He is usually found cooking in the kitchen, playing outside, or looking at books.

Ezra turned one in February! He recently started walking and is excited about exploring his surroundings. He loves to play with toy cars and try new foods. He is usually found climbing the stairs, exploring different rooms in the house, or hanging out with Mama in the kitchen.
