Dear Friends and Pastors,

Thank you to those who pray for us, and for those who help us financially. We could not do what we do without your friendship. We distributed over **337 BEAMS Bibles** this past month and a half. Thank you to all who have sent special offerings to cross another van into Mexico for the bus routes. Amen!

We held Bible Clubs all over the north end of Monterrey in April. We gather in public parks and round up folks by sending out church workers up and down the streets. We give away prizes and play games with the children, and then preach the Gospel of Jesus Christ. On our route, there were 72 visitors, plus 35 workers. Over **20 people accepted Jesus**. Then, we announced a big day at church for the following Sunday. To my surprise and joy, our 8 regulars came, along with **14 first time visitors!!!** All the adults at church received a 45-minute presentation of the gospel, and many received Christ. Several of the new riders have continued in church all during April and May. Pray for Griselda. She received Christ & has come faithfully, but her husband Cresencio needs to accept Christ. He came with us one Sunday.

I have been preaching with translators much in the last 30 days. It is rather frustrating, but it is better than preaching in my lousy Spanish. I preached three times for Brother Kevin Wynne in Mexico City. His church is so brilliantly organized and all his workers are so happy serving there, that I felt like the Queen of Sheba when she visited Solomon in Jerusalem. I was overcome with the wisdom that Bro. Kevin has, and the way such a large church operates so wonderfully. Praise the Lord! We were able to pass out many Gospel tracts on this trip.

While visiting the large public hospital last Wednesday evening, we handed out sandwiches and preached to the families who had loved ones being treated inside. Manuel received a "John/Romans" from me, and I continued giving them out, until there were no more. I came back by Manuel, and noticed that he had read up to the page: "Your Decision". I asked him if he understood what he was reading, and he told me he wanted to be saved. I quickly reviewed the Gospel, and **he received Christ gladly**. Glory! Praise the Lord for the printed Word of God.

We do have a very grave prayer request for you. Over in Manipur India, there has been a 3-year civil war. So, this past week, **Pastor Manu**, one of the pastors that you help us support, through Baptist Church Growth, was performing a wedding when suddenly a group of men with rifles surrounded the wedding party and kidnapped 38 of them, including Pastor Manu, his wife and 2 daughters. 2 days later all the women and children were released unharmed, but as of today, the 6 adult men are still being held captive. Manu needs our sincere unceasing prayers. Please join me in prayer. Please **do not put any of this India information on any social media platform.** Please. It would be dangerous.

Our son, Will, came to Mexico this month to have some dental work done. He is such a wonderful Christian and a joy to be around. He went soulwinning with us and helped us in the ministry while here.

Wonderful Word Publishers is printing more each week. We have had 4 churches request Gospel Tracts in the past 2 weeks. Thankfully all our machines are running and we have paper and ink. We Praise the Lord! We are supplying John/Romans, Gospel Tracts, flyers and hymnals in Spanish here in Mexico. If you would like to be a part of printing the Word of God through Wonderful Word Publishers please contact us.

With much gratitude,
