

Dear Prayer Warriors, Supporters and Friends

Aurora is healthy and home! She was able to leave the Nicu after 93 days and is adapting to life out of her hospital with her parents and 3 siblings! The Lord has helped her grow to 6 pounds and she has no major complications so we are so thankful for the miracle of preserving the life of Emily and Aurora.

The doctors have strongly suggested we remain in the states as a family for a few more months so that Auroras immune system will develop strong enough to resist African sicknesses such as malaria. I will continue traveling to update supporting churches here until we are able to fly back to Benin as a family.

I was able to travel to Benin with 2 men the end of May for the marriage of Leger (the young man who shared his testimony in our update video on YouTube) as well as to baptize a family of new Belivers!

Pray much for a trip to Benin August 5th- 14th. There will be 11 men traveling with me to participate in a conference with believers from all 22 church plants that have been started in the past 2 years. There could be up to 1000 Belivers present and we will talk about the importance of evangelism, discipleship, church planting, marriage, purity and many other topics. This will be a 2 day conference and afterwards we will travel to visit several of the new church plants that have been started after we flew to the states.

The ministry in Benin continues to flourish and I want to ask you to pray daily for these evangelists, disciples and church planters:

Arnaud, Peniel, Daniel, Willy, Cesaire, Appolinaire, Jérémie, Fulber, Carlos(Ganvie), James, Renaud, Abel, Jean, Gregoire, Marion, Julien, Léger, Abraham, Olivier(Abel's brother), Olivier (Sékou), Gildas, Aristide, Victorin, Patern, Christoph, Didier, Papa merveille, Constant, Carlos (Pahou), Micaël, Grace of God, Jean Houeto, Alber, Papa Pakoum, Bryce, Jacob, and a few others that are beginning to come for training every Monday.

Pray for hundreds of churches to be started in Benin within the next couple years if the Lord tarries His coming!

Pray for the Lord to provide monthly support for several church planters that do not have it yet.

Pray that the Lord will provide a permanent meeting place for each church plant.

Pray for the Lord to provide several hundred audio bibles to give to those who are unable to read but have trusted Christ as Savior and need to grow in their faith.
