

# THANK YOU VERY MUCH

MAY-JUNE 2026

Dear Pastor Seulean and Church Family,

We have so much to be thankful for. God has been so good to us. We are thankful for you and for the part that you have in making our ministry possible. Thank you for the \$ 200.00 we received from you in May and June.

Iglesia Bautista Fundamental de Celaya in the Mexican state of Guanajuato, is one of Mexico's greatest churches. My dear friend, Bro. Alejandro Córdova, started and pastored the church for over 40 years. Bro. Córdova was one of the original speakers of the "Fires of Evangelism" conferences. I shared the platform with him more times than I could count. He went to heaven February 18. I had the honor of preaching one of three funeral services.

April 27 the church dedicated a beautiful plaque in Bro. Córdova's honor. They invited me to preach the morning service. It is amazing to see how this church is staying on course, reaching hundreds of people with the gospel every week. Bro. Ricardo Lucero, one of our graduates, who served as Pastor Cordova's assistant for 27 years, is serving as the interim pastor. Please pray as they seek God's will in choosing the next pastor to lead this great church.

The month of May was full of family events. May 16, we went to Cancun for the wedding of our grandson, Addison and his beautiful bride, Ann. It was a lovely ceremony, and we enjoyed being with our son, Stephen, his wife Ruth, and their other two children, Nolan and Sarah. Please pray for Addison and Ann as they begin their lives together.

We returned home Monday, May 18 with Tammie and Henry, our daughter and son-in-law, and my granddaughter, Grace. During the week 15 others arrived, including grandchildren and great grandchildren, (two of whom I met for the first time), my sister, Billie Sloan, and her granddaughter, Debbie, and Brenda's sister Nyla. They came to celebrate my 80th birthday which was May 25. They were here for a week and we had a wonderful time.

Tuesday evening, we went soul-winning and I had the privilege of winning Jose Guadalupe Villanueva to Christ. He is 90 years old! Please pray that he will come to church and follow the Lord in baptism.

We were with my dear friend, Bro. Ezekiel Salazar for a Fires of Evangelism conference, June 1-4. 24 people surrendered their lives to serve the Lord full time in the closing service. June 12-15 I was with Bro. Sergio Ali in Bay Shore, New York, for their missions conference. Then June 29-July 1, I will be in Tlapa, Guerrero for a Pastors' and Workers' Conference. From there to the mountain village of Tlacoapa to be with our graduate, Bro. Juan Rosales, July 2-5. Please pray for these meetings and for safe travel.

We appreciate the part that you have in making our ministry possible. May God bless you for your sacrificial giving and for your care for souls around the world.

Yours for souls,

*Bro. Tommy & Emily Ashcraft*
