Dear Praying Friends,

We are so very thankful for your prayerful and financial support of the work here.

It has been unusually hot. It is so hot that the students and staff could not go out soul winning many times.

We are still praying for the installation of our new 3000 watt transmitter. We have had it for over 15 years and it is not hooked up. Please join us in praying for this need. Many are listening too.

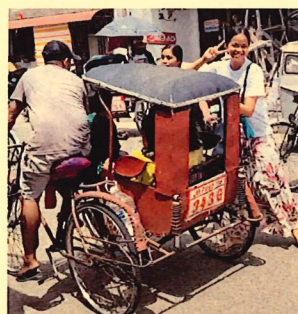

1. Please pray for drivers. Camp Judi is 18 km away from our Catarman church building. We all, including staff and students, stay at Camp Judi and travel back and forth. We have vehicles but need drivers.
2. Pray for an American named Danny. He and his wife are moving right across from us at Camp Judi. He and his wife are not yet saved. Pray we can win them. He is not like the other foreigners here. He is nice.
3. There have been 16 new students move into the dorms. We are still looking for more students. Pray they will graduate.
4. We will be in the States for the month of March 2027. Let us know if you want us to report on the work here.
5. Pray for the healing of one of our staff girls Zerah Galido. She is one of our orphans.
6. We are seeing many saved in all our ministries. There have been several Army Scout Rangers attending the Sunday am services.
7. Please pray for the graduate pastors. Many need a wife, land and a building.
8. Pray for our basketball ministry. Five young men came to play basketball in our gymnasium yesterday and all of them got saved. We are inviting more to come and play.

God has been so good to allow us the privilege of serving Him here on Samar(ia).

God bless you all real good!!!
