Dear Pastor and Church,

With appreciation in our hearts toward you, we are happy to share with you the blessings we have seen this month. We remember you in our prayers, that our beloved Savior be working in a special way in every activity you take on.

By God's grace, He has allowed us to share the Gospel in Tepetitlán Hidalgo, where many heard the Gospel and made a decision for Christ. Nonetheless, we do not have a physical space in which to congregate, as it has been difficult to find a place since they do not lend or rent here. We continue praying and reaching souls, trusting that the Lord will soon provide what we need.

Doors have also been opened in San Pedro Tlanixco, a municipality within Tenango del Valle in Mexico State. We have seen God's hand working in souls! Many have been saved, but once again, we have not been able to find a place to gather. Nonetheless, we believe the Lord will provide. There were people there that seemed to have been eagerly awaiting us to arrive, and they thank us for the time we spend with them. This town has a population of 6 thousand people, who work in agriculture, such as potatoes, medicinal herbs, pumpkins and flowers. We will be dedicating more time to this town, and looking for a place to rent in order to congregate there. On certain Sundays, we have also been able to visit and preach at a few churches. God has been good to us, protecting and blessing us.

Dear church, we are very grateful for your prayers and faithful financial support. We are aware of your effort and sacrifice so that the Lord's work may continue. Thank you, dear brethren, for your prayers. Please continue praying for my daughter Noemi, who is in poor health. We ask of your prayers, that the Lord provide us a place where we can gather the new converts.

Your missionaries,
The Ventura Family
