"...behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest." John 4:35

Dear Praying Friends,

April – June 2026

One of the greatest decisions of my life was to surrender to the will of God. He has been so good to our family as we have served Him on the mission field! It is impossible to build a more meaningful, satisfying, and joyful life as you will when you give Him your future.

Thank you for your faithful prayers for our family and ministry. We continue to have big days, bring visitors to our services, and get people saved and baptized. We knock doors daily, do Bible studies, and work to get our converts involved in our ministries. **Please pray for God's power and protection as we strive to train more people for the Lord.**

Back in May, my mom's husband Dennis passed away, so I returned to the U.S. for a few weeks to be with her. Though our hearts were heavy, we are thankful for God's grace and for the way He has used this trial to draw my mom Linda closer to Himself. It has been a blessing to see her renew her dedication to the Lord's service and sacrifice. **Please pray that God would continue to strengthen her and use her life for His glory.**

While knocking doors, I heard a faint voice calling out to me. I looked through the gate and saw a sweet little grandma named Florida slowly shuffling toward me. In a weak, tired voice, she told me how the year before, a dreadful stroke had nearly taken her life. I opened my Bible, and she carefully listened as I taught her the plan of salvation. She soon bowed her head and trusted Christ. When she looked up, joy spread across her face. With trembling hands, she placed them over mine and thanked me repeatedly. In that moment, my heart was overwhelmed to think of how many more people across Bolivia are waiting to hear the Gospel message but need someone to go and tell them. **Please pray for Florida's health and that she would come to church and grow. Please also pray about coming to help spread the Gospel all over Bolivia.**

This July 13-17, we will host our first Family Camp, and our hearts are full of anticipation for what the Lord will do. We are asking God to make this a time of Spirit-filled preaching, earnest prayer meetings, sweet fellowship, and spiritual strengthening. Would you please help us pray and pave the way for God to do a lasting work in the hearts of the people? **Please pray that the Lord would be glorified, that His Word would be preached with power, and that conviction would fall upon each service. Pray that Christians would get right with God, that life-changing decisions would be made, and that many would surrender their lives to full-time Christian service.**
