Dear Pastor & church family

July 2026

Thank you for praying for our dear friends and ministry partners in INDIA. Yes, our hearts were broken last month, as the crisis in Manipur India has worsened. However, we are trusting the Lord to bring GLORY to the Lord Jesus through all this. Kachaek, the widow of Pastor Manu has been placed into medical and mental evaluation and treatment. She has also been placed into a temporary housing system for displaced victims of the tribal crisis. Our other pastors in the region inform us that they are not able/permitted to move about hardly at all, including going for food and other essentials. However, a couple that Pastor Manu had won to the Lord before he was martyred, asked another Pastor to baptize them. This is a great step of faith for them and fruit from Pastor Manu. Glory! Please continue praying for Manipur, India.

We took a couple of weeks with two of our sons and their family to go visit Noah's Ark up in Kentucky. (Not the real ark.). Ken Ham has done a tremendous job of presenting the Biblical view of the Creation of the world, vs. the SECULAR view. It was more than fabulous! On our way there, we stopped to visit the widow of Evangelist Tom Williams, Jeannine. She has been a great friend of our family for many years. We attended her church on Sunday, the amazing Shawnee Baptist in Louisville. We also got to stop in and see my ONLY sister (Jane) while passing through Springfield, Missouri. We passed out many gospel tracts all along the way to all kinds of people. We rejoiced with 3 of our grandson's that had recently been baptized after being saved and we are praying for our other grandchildren to accept Christ. Amen!

It has been my great privilege to baptize several new converts this month. One of them, young Orlando from our bus route which we run in Emiliano Zapata every week. His mother, grandmother, AND GREAT grandmother were in attendance that day. I had a young man named Jafet helping me soul winning one Saturday. I started the soul winning conversation with a teen named Jesus, but Jafet quickly took over and won Jesus to the Lord. Our church is having a dart throwing promotion every Sunday. Tables on the platform are full of prizes and every visitor gets to throw a dart, as well as every person who brought a visitor. This week I got to throw 2 darts. I hit two winning number 9's (high value prizes). Our 3 visitors got to go to the tables and take home 2 nice treasures but better yet, they all accepted Christ as their Savior. Glory!

I will be preaching the final Wednesday night of July to all the families standing outside the public hospital called Clinic 6 because there are no waiting rooms. Usually there are 75 or more people. I will preach without an interpreter (Interrupter). I will read most of the message, as my Spanish is lousy, but with the help of God, hearts will be touched and souls will be saved.

Thank you all so much for your prayers. Each day we see the Lord working in the lives of others through the written Word of God and witnessing to others. Praise the Lord Wonderful Word printing machines are working here in Monterrey and printing 40,000 Gospel Tracts in Spanish/English for another missionary. Glory! Please pray as we distribute 2000 BEAMS Bibles next week at a national Fires of Evangelism conference in Celaya, Guanajuato 8 hours south of Monterrey, Mexico. God bless you and your church.

Rejoicing in the Lord,

Dan & Carrie
