

THANK YOU VERY MUCH

JULY 2026

Dear Pastor and Church Family,

Thank you for holding us up in prayer and with your financial support. We realize that your offerings are produced by the hard work of your people and that for many of them their giving is a sacrifice. For that we are grateful.

Our church's youth camp was July 6-9. Seventeen young people surrendered to serve the Lord full time! Each year Emily and I sponsor bus kids who otherwise would not be able to go to camp. With your help, for several years, we paid Nayeli's camp fee. She is enrolled in the Bible institute and this year she won the award for "Soul-Winner of the Year"! This year we were able to sponsor two seventh graders. We believe that this is a great investment in young lives.

Last Friday Emily and I were soul-winning and I sat down on a park bench by Alan. He prayed and asked the Lord to save him. Please pray that he will come to church and grow in the Lord. So far this year we have handed out 2,604 tracts and 84 John and Romans. We have witnessed to 112 people and 42 of them trusted Christ as their Savior. Sharing the gospel with someone who has never heard never loses its joy.

July 30 we went to Tamazunchale – a small town in the state of San Luis Potosi – for a family conference in a church pastored by my long-time friend, Bro. Samuel Marañón. The next week we were in Celaya, Guanajuato, for a "Fires of Evangelism" Conference. Please pray for the host church, Iglesia Bautista Fundamental. Their pastor of over 40 years, Bro. Alejandro Cordova, went to heaven in February. They just voted in Pastor Jose Antonio Rojas. They did a great job hosting the meeting. We will give you a complete report of these meetings in our next update.

In August we go to Colorado and then beginning in September we are home only for a few days at a time until December. Please pray for safety as we travel and that God would use us to challenge His people in their service to Him. We pray every day for so many friends our age who are struggling with serious medical issues. We thank God for the health and strength He gives us to continue serving Him. We do not take that for granted.

As we send these updates we pray for you and thank God for what you do to get the gospel around the world. Your efforts are not in vain.

Yours for souls,

Bro. Tommy & Emily Ashcraft
